In this groundbreaking book Noel and James share all their knowledge and experience to help you create a successful life. Targeting all major issues such as success, good habits, positive mental attitudes, and successful life and financial planning the authors show you how to plan, develop and manage a successful life.

"Money makes the World go around." Money is required to drive and fuel economies; increase productivity; improve technologies; reduce environmental impacts; provide jobs for families; food on tables; clothes on backs; better education and quality healthcare resulting in happier communities. By remaining poor you cannot effectively contribute to society, yet a wealthy person contributes massively to all of these. Delve into this new, revised, extended and updated edition of The Beginners' Guide to Wealth Creation. Learn the powerful strategies that will catapult you into financial freedom. Learn -how becoming wealthy is only a state of mind, what the biggest hurdle is on the road to wealth creation, how to get money working for you, the hottest wealth creation strategies you can use to create wealth, how to plan successfully to minimise your Tax bill, how to deal with debt problems and navigate your way out of them and how to create your action plan to set you on your path to financial success.

Unwrap the secrets to a successful financial future. Noel Whittaker has been giving invaluable advice on all financial and life planning matters to millions of Australians for decades. The most often asked question to Noel is " Why don't they teach this advice at school ". In this groundbreaking book Noel and James share all their knowledge and experience to help you create a successful life. Targeting all major issues such as success, good habits, positive mental attitudes, and successful life and financial planning the authors show you how to plan, develop and manage a successful life. Equally pitched at the young person entering the workforce; the family with kids and a busy life, or those older Australians in transitional careers or preparing for retirement Beginners Guide to Wealth gives you all the necessary advice, skills, information and motivation to succeed at the level you commit to - it's all up to you. Noel and James help you discover the three essential skills that you can apply to daily life, work, and financial planning that will give all Australians the essential road map to personal and financial wealth.

This book is the second edition of work known as A Beginners Guide to Wealth Building. If you are new to the Fundamentals of Money Management or an advanced investor, this is your book. It is written in plain and simple English to demystify the cryptic world of income tax deduction, budgeting and savings money for retirement. With this book, you can learn investments so you can prosper financially. This book will transform and empower you to become your own champion and masters of your financial destiny. You will find this book informative, at times funny and very rewarding. My passion in life is to help people become financially literate and financially secure!My e-mail address is in the Farewell Chapter of the book. Questions are welcomed. If I cannot answer a question, I have people.I wish you the best in your financial and investment future!R. LaMont W.
