"Friendships, connections, family ties, trust, loyalty, obedience—this was the 'glue' that held us together." These were the principles that the greatest Mafia "Boss of Bosses," Joseph Bonnano, lived by. Born in Castellammare del Golfo, Sicily, Bonnano found his future amid the whiskey-running, riotous streets of Prohibition America in 1924, when he illegally entered the United States to pursue his dreams. By the age of only twenty-six, Bonnano became a Don. He would eventually take over the New York underworld, igniting the "Castellammarese War," one of the bloodiest Family battles ever to hit New York City... Now, in this candid and stunning memoir, Joe Bonanno—likely a model for Don Corleone in the blockbuster movie *The Godfather*—takes readers inside the world of the real Mafia. He reveals the inner workings of New York's Five Families—Bonanno, Gambino, Profaci, Lucchese, and Genovese—and uncovers how the Mafia not only dominated local businesses, but also influenced national politics. A fascinating glimpse into the world of crime, *A Man of Honor* is an unforgettable account of one of the most powerful crime figures in America's history.

The Men's Code of Honor touches a raw nerve in all males as it compels them to answer the ultimate question: Do they know how to "act like a man"? Drawing from male codes of conduct through history, this book is, as one young man put it, "everything a man knows he should be, looking deep into our own minds to find what makes us men, and if need be, how we can correct ourselves to be that man inside." Writer Dan Stradford opens by telling how a friend's son "asked me something about the way man treat women. I told him that an unspoken code exists among men that we all tend to subscribe to and this guides how we treat women. His father nodded in agreement. This brief incident passed but the moment stayed with me. Why is it, I wondered, that this 'code' is unspoken? Why hasn't anyone written it down?" And so began a five-year quest into the history of men's codes of conduct. Searching through military codes, athletic codes, cowboy codes, and many others, Stradford found 66 rules of conduct that had withstood the test of time - the essence of the unwritten code of honor amongst men. Each chapter covers a different sector - including Integrity, Duty, Work, Courage, Women, Children, and Family. To bring the points home, Stradford opens each with a raw story from his own life, rising from the poverty of St. Louis slums without a father to guide him. The Men's Code of Honor is a manual for women, too, as it lays bare the core drives, motives, and duties of men and how to measure the integrity and reliability of the men in their lives. Find out why this book has been hailed as "masterful," "brilliantly written," "transforming" and a must-read for men and women, young or old!

Men of Honor contains more than 100 official citations for bravery above and beyond the call of duty along with several eyewitness accounts such as the following excerpt: ... When we approached the area, Captain Pless asked the crew, "you all with me?" He knew the answer would be yes. As we flew on, we saw four U.S. personnel laying on the beach and around them, not less forty or fifty armed Viet Cong. They, the V.C., were beating the helpless personnel. As we flew over the group of people, one of the beach waved to us, and for his efforts got a rifle butt in the face. The V.C. were too close to the Americans to safely fire at them, but the V.C. were killing them anyway, so Captain Pless ordered the right door gunner, Gunnery Sergeant Poulson, to fire on them. It took only a short burst to send the V.C. running for cover. When Captain Pless saw this, he immediately rolled in hot with rockets and guns. The smoke from our W.P. rockets obscured the V.C. who were running when we started our attack, but Captain Pless continued to fire into the smoke, displaying the most remarkable airmanship I have ever seen in my eighteen months in country as an air crewman. As crewchief of the aircraft, and knowing its capabilities, I couldn't believe what he was making that belo do, but when the smoke started to clear, I saw bodies laying everywhere ...
