A Texas Ranching Family The

Texas cowboy Matt McDermott was craving his first white Christmas on his family's Wyoming ranch. But a blizzard delivered more than Matt bargained for a petite, pretty motorist stuck in a snowbank, with a bump on her head and her memory gone! The woman melted Matt's heart like a puppy at a pound. B

A Texas Ranching Family The Story Of Ek Fawcett [PDF]

In 1954, the Peeler family signed an agreement to lease 6,000 acres of their 25,000-acre Texas ranch for a lignite coal mine. A few years later, they sold an additional 300 or so acres of their property to a small electric cooperative, which had taken over the mine, for the construction of a new coal-fired power plant.

A ranch holiday in Texas is great for visitors looking for a Cowboy experience where they can visit Fort Worth and watch the cowboys herd cattle down the main street. For those wishing to take a leisurely ride you can venture a little further west to the San Antonio area to stay on a ranch for an all inclusive ranch package.

American Roundup

Ranching supports rural economies in numerous ways, such as creating jobs and providing a tax base for local infrastructure. Many family ranchers purchase most of their supplies in local markets (CAST 1996). Public lands: dominate the landscape of the rural West. In some states, federal land exceeds 80 percent of the total land in the state.
