The documentary features interviews with Code Talkers, Korean vets, Vietnam vets, Desert Storm vets and Iraq vets. Written by Anonymous.

Although the Morroks surpass Humans in both size and strength, for generations they have skulked in deserts and moved among Humans only in secret. They train their children with brutal thoroughness and psychological torment, teaching them both to isolate themselves and to kill without thought. Orestes is one such Human trainee for the first five years of his life. But after he is rescued from the Morrok Facility, Orestes grows up in Warrior Peak, a militaristic society that hasn't been to war in three generations and is reluctant to do so even as the Morroks begin to show themselves in the desert just miles from their home. Even in the midst of impending war, Orestes wrestles with the Morroks' hold over his mind and heart as he struggles to fight without malignity, to lead without tyranny, and to love without inhibition. The Morroks, however, are not as quick to relinquish their hold on Orestes, and the reminders of their training, often written in the blood of others, threaten to ruin him before he can lead the Humans in their last stand to defend the land against the Morroks. <http://www.awarriorslegacy.com>

The Edward Clown family, nearest living relatives to the Lakota war leader, presents the family tales and memories told to them about their famous grandfather. In many ways the oral history differs from what has become the standard and widely accepted biography of Crazy Horse. The family clarifies the inaccuracies and shares their story about the past, including what it means to them to be Lakota, the family genealogy, the life of Crazy Horse and his motivations, his death, and why they chose to keep quiet with their knowledge for so long before finally deciding to tell the truth as they know it. This book is a compelling addition to the body of works about Crazy Horse and the complicated and often conflicting events of that time period in American History. Floyd Clown, Doug War Eagle, and Don Red Thunder are the sole administrators and spokesmen of the Crazy Horse estate and often speak at historical gatherings and national parks about their family ' s history. William Matson has produced and directed an award-winning video, Sitting Bull ' s Voice, as well as the two-part video series, The Authorized Biography of Sitting Bull by His Great-Grandson, and the four-part video series, The Authorized Biography of Crazy Horse and His Family. He regularly speaks about these videos and their content at film festivals and has been working with the Crazy Horse family since 2001 to tell their story.

Ages ago, the gods locked away a dangerous, powerful people... but the seal has been broken. The Blood Legacy Chronicles is an mpreg shifter series like you've never seen before. The adventurous journey

begins in book one where the portal that separates our realm from that of Fae is broken. Over the course of the series, the legacy pack is slowly brought together and given the monumental task of fixing the rift and saving our world before the Fae come back to beguile, trick, maim and kill. A beguiling mix of fun, fantasy, friendship and family, this series will take your breath away. This bundle contains all seven books in this best selling series--all books are fully re-edited, freshly formatted, and guaranteed to give a serious case of the feels. Four brand-new, never been seen epilogues are included to show you what happened in the years after the ending. Note: this series is a spinoff from The Northern Pines Den from the same author. Included: Alpha's Dream -- Seer Clark and Dreamwalker Kent have always known that they were meant to be mates. From their fumbling first time to seeing their powers enfold, you'll fall in love with this "super duo"... and their trio of superbabies. Omega Found -- A halfling omega and his petite Irish alpha fox will charm you and keep you guessing. Omega's Destiny -- The twins of the super duo from book one, Peter and Parker have been having a secret affair. Little did they know they were jumping the gun on what fate had in store for them. The "spideymen" are entrusted with a precious artifact when visiting the phoenix that will put a temporary fix on the portal. Alpha's Dom -- Efficient Jun is an omega dom who isn't quite sure what to do with the large, african alpha that he's been gifted by the fates. As for Tau, his lion patiently adores his feisty, little red panda. Alpha's Charm -- This is an mmm. Cody, Ansh and Kontar have to try and stop the evil, unseelie prince who has slipped into our realm and has plans of his own to take over the world--with the help of a vampiric monk. Omega's Mark -- May/December. Sweet, shy Dimi finds himself fated to mate the sexy Aussie alpha, Ethan. Together, they have to fix the problem that was unleashed in book five to do their part of the epic quest. Alpha's Seal -- Hippie omega River and Mark, the quiet wolf from Maine have to figure out how to follow the clue and finally repair the rift in the portal--once they learn to trust each other. These books are all intended for 18+ readers only. They contain adults adulting in naughty, knotty ways and enough potty mouth language to make a sailor blush. Keep an eye out for exhibitionist gargoyles, an adorable phoenix and her faithful brown companion, a powerful goddess, two Fae princes, and a few beloved character appearances from the previous series. This bundle contains the complete series plus bonus epilogues for nearly 200,000 words of fun

A group of teenagers with superhero powers must battle against a race of lizards ravaging the galaxy in book one of this new young adult science fiction/fantasy series. When war is rekindled on planet Rhybannon, sixteen-year-old Ezmer is forced from his home. Now he and his group of newly acquired friends are on the run, caught up in an age-old war with the Daigatons. When they find eight magical necklaces that once belonged to great warriors who protected the universe, they soon discover that the necklaces are more than they appear. Will this new team of heroes be able to use their newfound powers to end the war and save their universe?

"HBO ~ Are you listening? I started this series on my birthday late February and waited to write a review until I finished just today. 11 books later and craving for more. Lucas is a new author to me, but I can honestly say that I'm looking forward to many more stories in this series, and will be checking out others as well. Truly wonderful humor (loved the wedding day guys get-together) and great suspense not to mention all the sexy fun! Balanced writing, even parts that could be monotonous by other authors flow seamlessly here. Didn't want to put it down but hey, I had to sleep sometime! I mean it HBO, are you listening? GoT is winding down, THIS is your new number one." Andrew's acclimation to his post-transition body isn't easy. His senses are sharper, he's bigger, stronger, and hungrier. Nathalie fears that the changes in the man she loves are more than physical. Measuring up to this new version of him is going to be a challenge. Carol and Robert are disillusioned with each other. They are not destined mates, and love is not on the horizon. When Robert's three months are up, he might be left with nothing to show for his sacrifice. Lana contacts Anandur with disturbing news; the yacht and its human cargo are in Mexico. Kian must find a way to apprehend Alex and rescue the women on board without causing an international incident.

Being a vampire is a lonely existence. Harland has walked Phetterea for the last six hundred and sixty years, surviving by stealth and trusting in his brothers. Harland has five brothers that he will lay his life down for without question, with no reasoning behind it. They are his kin, and he protects what is his no matter the cost. Although he has his brothers to keep him company, he lives a lonely existence and the only reprieve he would have been if he found his life mate, his soul bound mate. The one whose soul is mingled with his deep in her chest. That, however, is a life-changing event that has never and will most likely never occur for Harland. Although he is a vampire, some of his brothers are not. Viktor and Damian are werewolves who have yet to find their fated matches, so they joined the brotherhood. We all serve our goddess Selene and we protect her children by killing and collecting the essence of the Croten. Their leader has been trying to destroy all supernatural creatures that are good and stay within the goddess light. King Kachelsis has taken every precaution to insure the safety of his citizens. That is where the brotherhood comes into play. They are the watchers; they are the keepers, and they are the warriors of legacy. Harland and his brothers may never find their true mates, so they protect those who have. They protect the ones who cannot protect themselves. This is their duty. Something you should know about the vampire race in Phetterea is that they are born, not bitten. The female turns into a vampire when she and her mate are joined in the mating ceremony. Once his soul leaves her body and goes into his, finding its resting place, she will become like him. Werewolves are different. They are born. When they find their mates and mark her, she will live as long as her wolf does, but she will never turn into a wolf herself. The woman who is fated to a wolf does not hold his soul instead, she holds something far more important. She holds the secrets of his past. The secrets the goddess has hid from them. Harland hopes that every single one of his brothers finds the mate they hope to have. He himself wants to have his, but is afraid of the repercussions of finding her. He will have to share the secret he holds within him. He will have to share her with the beast.

The powers of darkness have been vanquished on Roric's world or have they? The revival of having the word of God has brought victory on every front throughout Roric's world, and it is an age of grace. Miracles are common and the word of God is preached everywhere. But Roric is disturbed when one of his twin sons, Gavin, comes to him in the night with a vision of a people strange to them. The vision is clear, there is a people that is in need of deliverance from darkness, but it is not clear where such a place could exist. Roric consults the guardian of secrets beneath Thunder Ridge Castle only to discover that he did not know his world as well as he thought he did. There is another land called Assoria. It is this Assoria his son has had a vision of. Gavin feels the calling to go and preach the word of God to the inhabitants of this new land, but they know almost nothing about this land or its people. To protect Gavin during his ministry a warrior will be needed to accompany such a quest. So Roric sends his capable warrior son Zevin, who is Gavin's twin to accompany his brother on the mission to enlighten the souls of the people of Assoria. Their mission becomes something much more than either brother could have imagined. Entire kingdoms fall as a sorcerer manipulates humanity for his own dark purposes, but deliverance comes from those who walk in the night and shun the light of day. Remnants of a people once great have again been made strong. Will a son of Roric find his legacy and rise to be a king and lead an army such as has never been seen before, to destroy a sorcerer, who wishes to rule supreme over all?
