Impressively researched, it feels current and punchy. Recommended (SARAH VAUGHAN, author of ANATOMY OF A SCANDAL) A real gripper of a read (PETER JAMES, author of DEAD AT FIRST SIGHT)

All the Rage: The new 'impossible to put down' thriller ...

All The Rage is infused with the permissive spirit of the Sixties. Mac has admitted that he'd "shag anything with a pulse--but the girls who hung around with us were no slouches in the pulse department!". But more endearing is the rather twee naivety of the era: a drugs bust on the Small Faces' London pad meant ransacked drawers but missed the lump of cannabis resin sitting on the mantelpiece ...

Named a "Best Book of 2015" by Bustle, Book Riot, Chicago Public Library, Quill and Quire, and the B&N Teen Blog! The sheriff's son, Kellan Turner, is not the golden boy everyone thinks he is, and Romy Grey knows that for a fact. Because no one wants to believe a girl from the wrong side of town, the truth about him

Download Free All The Rage

has cost her everything-friends, family, and her community. Branded a liar and bullied relentlessly by a group of kids she used to hang out with, Romy's only refuge is the diner where she works outside of town. No one knows her name or her past there; she can finally be anonymous. But when a girl with ties to both Romy and Kellan goes missing after a party, and news of him assaulting another girl in a town close by gets out, Romy must decide whether she wants to fight or carry the burden of knowing more girls could get hurt if she doesn't speak up. Nobody believed her the first time-and they certainly won't now-but the cost of her silence might be more than she can bear. With a shocking conclusion and writing that will absolutely knock you out, Courtney Summers' new novel *All the Rage* examines the shame and silence inflicted upon young women in a culture that refuses to protect them.

An INSTANT NEW YORK TIMES BESTSELLER! An INSTANT INDIE BESTSELLER! "All My Rage is a love story, a tragedy and an infectious teenage fever dream about what home means when you feel you don't fit in." — New York Times Book Review From #1 New York Times bestselling author Sabaa Tahir comes a brilliant, unforgettable, and heart-wrenching contemporary novel about family and forgiveness, love and loss, in a sweeping story that crosses generations and continents. Lahore, Pakistan. Then. Misbah is a dreamer and storyteller, newly married to Toufiq in an arranged match. After their young life is shaken by tragedy, they come to the United States and open the Clouds' Rest Inn Motel, hoping for a new start. Juniper, California. Now. Salahudin and Noor are more than best friends; they are family. Growing up as outcasts in the

small desert town of Juniper, California, they understand each other the way no one else does. Until *The Fight*, which destroys their bond with the swift fury of a star exploding. Now, Sal scrambles to run the family motel as his mother Misbah's health fails and his grieving father loses himself to alcoholism. Noor, meanwhile, walks a harrowing tightrope: working at her wrathful uncle's liquor store while hiding the fact that she's applying to college so she can escape him—and Juniper—forever. When Sal's attempts to save the motel spiral out of control, he and Noor must ask themselves what friendship is worth—and what it takes to defeat the monsters in their pasts and the ones in their midst. From one of today's most cherished and bestselling young adult authors comes a breathtaking novel of young love, old regrets, and forgiveness—one that's both tragic and poignant in its tender ferocity.

Why do men do so little at home? Why do women do so much? Why don't our egalitarian values match our lived experiences? Journalist-turned-psychologist Darcy Lockman offers a clear-eyed look at the most pernicious problem facing modern parents—how progressive relationships become traditional ones when children are introduced into the household. In an era of seemingly unprecedented feminist activism, enlightenment, and change, data shows that one area of gender inequality stubbornly persists: the disproportionate amount of parental work that falls to women, no matter their background, class, or professional status. *All the Rage* investigates the cause of this pervasive inequity to answer why, in households where both parents work full-time and agree that tasks should be equally shared, mothers' household management, mental

Download Free All The Rage

labor, and childcare contributions still outweigh fathers'. How, in a culture that pays lip service to women's equality and lauds the benefits of father involvement—benefits that extend far beyond the well-being of the kids themselves—can a commitment to fairness in marriage melt away upon the arrival of children? Counting on male partners who will share the burden, women today have been left with what political scientists call unfulfilled, rising expectations. Historically these unmet expectations lie at the heart of revolutions, insurgencies, and civil unrest. If so many couples are living this way, and so many women are angered or just exhausted by it, why do we remain so stuck? Where is our revolution, our insurgency, our civil unrest? Darcy Lockman drills deep to find answers, exploring how the feminist promise of true domestic partnership almost never, in fact, comes to pass. Starting with her own marriage

Download Free All The Rage

as a ground zero case study, she moves outward, chronicling the experiences of a diverse cross-section of women raising children with men; visiting new mothers' groups and pioneering co-parenting specialists; and interviewing experts across academic fields, from gender studies professors and anthropologists to neuroscientists and primatologists. Lockman identifies three tenets that have upheld the cultural gender division of labor and peels back the ways in which both men and women unintentionally perpetuate old norms. If we can all agree that equal pay for equal work should be a given, can the same apply to unpaid work? Can justice finally come home?

A Canadian playwright's rise to fame amid the terrors of the AIDS era. Brad Fraser suffered an impoverished and abusive childhood,

Download Free All The Rage

living with his teenage parents in motel rooms and shacks on the side of the highway in Alberta and Northern British Columbia. He grew to be one of the most celebrated, and controversial, Canadian playwrights, his work produced to acclaim all over the world. All the Rage chronicles Brad Fraser's rise as he breaks with his past and enrolls as a performing arts student. He is pulled into the newly developing Canadian theatre scene, where he shows great promise. But his early career is one of challenge after challenge, some of which result from his upbringing and prejudice against his queerness. But just as many challenges arise from his combative personality and willingness to challenge the establishment. Few Canadian artists have been as abrasive, notorious and polarizing as Fraser was in his youth. Woven through this tale of artistic development is his journey as a queer man coming into himself

Download Free All The Rage

during the most exhilarating period in the Gay Liberation Movement, and the dawn of a global health crisis. What should have been a triumphant time in a young, successful playwright's life was blighted with the terrifying emergence of AIDS, and the sickness and death of comrades and lovers. This is both the story of an artist's evolution and an important work of gay history that has rarely been recounted from a Canadian perspective. Written with Fraser's trademark wit and candour, *All the Rage* is unsparing, sometimes shocking and always enthralling.

Much to the chagrin of his girlfriend, Gia, Repairman Jack doesn't deal with electronic appliances—he fixes situations for people, situations that usually involve putting himself in deadly danger. His latest project is recovering a stolen necklace, which carries with it

the Rage maps the terrain on which gays are accepted as witty film accessories and sassy sitcom stars yet denied full citizenship.

A family extending from Pakistan to California, deals with generations of young love, old regrets, and forgiveness.

Anger. For all of us, it's a familiar feeling—jaw clenching, face flushing, hands shaking. We feel it for rational and irrational reasons, on a personal and on a global level. If we know how to handle our anger skillfully, it is an effective tool for helping us recognize that a situation needs to change and for providing the energy to create that change. Yet more often anger is destructive—and in its grip we hurt ourselves and those around us. In recent years scientists have discovered that mindfulness practice can

Download Free All The Rage

reduce stress, improve mood, and enhance our sense of well-being. It also offers us a way of dealing with strong emotions, like anger. This anthology offers a Buddhist perspective on how we can better work with anger and ultimately transform it into compassion, with insight and practices from a variety of contributors, including Thich Nhat Hanh, Sharon Salzberg, Sylvia Boorstein, Carolyn Gimian, Tara Bennett-Goleman, Pat Enkyo O'Hara, Jules Shuzen Harris, Christina Feldman, Mark Epstein, Ezra Bayda, Judith Toy, Noah Levine, Judy Lief, Norman Fischer, Jack Kornfield, Stan Goldberg, Yongey Mingyur Rinpoche, Dzigar Kongtrül, and many others.

Ian McLagan was the keyboard player with the Small Faces and Faces, then went on as a backing player with the Rolling Stones. This book looks at his 30 years in the rock'n'roll business, telling of
