The selection of tyres for your APRILIA Atlantic 500 Sprint VL (> 2006) must be made carefully, with consideration for several factors, including the type of motorcycle, the dimensions, and the manner in which the vehicle is used, with respect to the routes that are taken on a daily basis.

Politica, cultura, economia.

From a journalist on the frontlines of the Students for Fair Admission (SFFA) v. Harvard case comes a probing examination of affirmative action, the false narrative of American meritocracy, and the attack on Asian American excellence with its far-reaching implications—from seedy test-prep centers to gleaming gifted-and-talented magnet schools, to top colleges and elite business, media, and political positions across America Even in the midst of a nationwide surge of bias and incidents against them, Asians from coast to coast have quietly assumed mastery of the nation ’ s technical and intellectual machinery and become essential American workers. Yet, they ’ ve been forced to do so in the face of policy proposals written in the name of diversity excluding them from the upper ranks of the elite. In An Inconvenient Minority, journalist Kenny Xu traces elite America ’ s longstanding unease about a minority potentially upending them. Leftist agendas, such as eliminating standardized testing, doing out racial advantages to " preferred " minorities, and lumping Asians into " privileged " categories despite their deprived historical experiences have spurred Asian Americans to act. Going beyond the Students for Fair Admission (SFFA) v. Harvard case, Xu unearths the skewed logic rippling countrywide, from Mayor Bill de Blasio ’ s attempted makeover of New York City ’ s Specialized School programs to the battle over " diversity " quotas in Google ’ s and Facebook ’ s progressive epicenters, to the rise of Asian American activism in response to unfair perceptions and admission practices. Asian Americans ’ time is now, as they increase their direct action and amplify their voices in the face of mounting anti-Asian attacks. An Inconvenient Minority chronicles the political and economic repression and renaissance of a long ignored racial identity group and how they are central to reversing America ’ s cultural decline and preserving the dynamism of the free world.

This official history of the FIM Grand Prix motor cycle racing World Championship, since its formation in 1949, records the action from a sport that has seen massive changes during the last 50 years with Japanese manufacturers eclipsing their European rivals, purpose-built race circuits replacing true road courses and a reduction in the number of Grand Prix classes. In other respects it has enjoyed remarkable continuity, as motor cycle racing has remained the domain of the major manufacturers anxious to promote the awareness of their road machines. Contemporary Grand Prix designs are clearly descended from the bikes raced in the 1950s. This book traces the major trends and developments during the last 50 years and it profiles the legendary riders, teams and innovators that have dominated the sport during this period. Concluding the history is a comprehensive and detailed results section which provides an invaluable source of reference for any motor cycle enthusiast.

Updated for a new generation of bike lovers, Ultimate Harley Davidson is a visually stunning and comprehensive history of Harley-Davidson that charts the company and its bikes decade by decade. From the moment the first model rolled out of a backyard shed in Milwaukee, through Harley’s postwar golden age, to the sought-after bikes that distinguish the company today, Ultimate Harley-Davidson presents seventy of the most beautiful and coveted Harleys of all time.

Whether it’s the 1911 V-Twin or the 1999 X1 Lightning, the seventy Harley-Davidson bikes examined are presented in minute detail, with close-ups of the engines and in-depth technical specifications.

Yamaha YZF-R1 1998-2003

A heartwarming memoir of a couple who takes in a homeless man and the life-altering effect the experience has on all three of them. For years, " Fisher King Mike " wandered L.A., preaching to his people. On occasion he ’ d share an open mic night with Michael Konik, who offered a curious and sympathetic ear, particularly when the Fisher King lamented his separation from his wife (who he claimed was Selena Gomez). As the pair began to trust one another, confusion and distance gave way to something that astounded them both. The Unexpected Guest gives love profound new dimensions with its story of family, friendship, and the meaning of home. Konik offered food and a pair of pants when his new friend came by, and wondered how much he owed the troubled Fisher King a question all of America faces with the nation ’ s ongoing homelessness crisis. When Konik and his wife gave Fisher King Mike a place in their home, handy as he turned out to be with household projects, they witnessed a guest become a caretaker. Gone was the man who gave sermons about his supposed estate next door to Kanye West. Gone was the man drifting through life. What each never saw coming was their own transformation and the lessons they ’ d learn about what it means not only to be good people, but simply to be human. Praise for " The Unexpected Guest " Heartwarming, compassionate, and well-crafted, The Unexpected Guest gives voice to those rarely heard, compels you to look clear when you want to look away, and reveals the joy of caring for others. " Pete Earley, New York Times – bestselling author of Crazy, A Father ’ s Search Through America ’ s Mental Health Madness, 2007 Finalist for the Pulitzer Prize " " What a pleasure to read a book that is quick in pace, absent of cynicism, and packed with conversations and stories we desperately need. The Unexpected Guest exceeded my already high expectations. Michael Konik does something that few journalists, let alone politicians even attempt to do. He humanizes the people who are without shelter. I won ’ t be soon forgetting " Fisher King Mike. " " Dave Zirin, The Nation " A deft meditation on the ordinary magic that happens when you open your heart and home, one small step at a time. Poignant, timely, compulsively readable. Konik ’ s story of family lingers long after the last page. " Jack McCallum, New York Times – bestselling author of Dream Team " Honest and entertaining, this book forces readers to confront the systems of inequality in which we are all implicated. " Kirkus Reviews
