Undergraduate textbook for B.Com. (Honors & General) students of the different universities across India. This book is designed especially to cater to the needs of commerce students, equipping them with a strong foundation for an understanding of the current business law situation. The book seeks to provide comprehensive coverage of the various topics relating to business law. It offers content that is simple to understand but does not compromise on necessary technical detail.

Managers are people who steer organizations towards meeting their objectives effectively and efficiently. Modern-day managers need to understand contemporary issues in management to achieve these objectives. Spread over nine parts, Business Organization and Management: Text and Cases addresses these issues in simple and student-friendly language, and explains concepts through rich diagrams and examples.
