Gestures can be some of the most direct and obvious body language signals. Waving, pointing, and using the fingers to indicate numerical amounts are all very common and easy to understand gestures. Some gestures may be cultural , however, so giving a thumbs-up or a peace sign in another country might have a completely different meaning than it does in the United States.

### How to Understand Body Language and Facial Expressions

If you have a hard time understanding body language, keep these tips in mind: Talk to them. It never hurts to ask someone how they feel. Body language refers to the nonverbal signals that you use to communicate your feelings and intentions. It includes your posture, your facial expressions, and your hand gestures. The ability to understand and to interpret body language can help you to pick up on unspoken issues, problems or negative feelings that other people might have.

### Body Language - Communication Skills From MindTools.com

Body Language Explained. Body Language (also known as Nonverbal Communication, even though that's technically not correct) gives you a lot extra information beyond the spoken words, that you can use to recognize people's emotions, and discover their real intentions. What people are saying (ie. the words they speak) and what they are really saying (their intentions, emotions, hidden agenda's etc.) can be very different:

### Nonverbal Communication and Body Language Explained

Body language is the way your body communicates without the use of words. It combines hand gestures, posture, facial expressions, and movements that tell others what's going on inside your head. Body language can happen consciously and unconsciously.

### Importance of Body Language in Presentations: #How to Use ...

Just one photograph of a couple can reveal a lot about their relationship or a partner's behavior, and sometimes it can even predict their future. This is exactly what Dr. Lillian Glass believes. She is the author of the documentary film Body Language Decoded and the bestselling book He Says She Says. You don't have to be a master of psychology to understand it yourself.
