The list of songs is long as my arm, and the notation and tablature makes it understandable even for me a complete novice on the guitar. It will take me a long time to learn any of Clapton's songs. Time I have, and now thanks to this book. I have the tablature, the lyrics and notation. A great book for any Clapton fan.

Eric Clapton: Complete Clapton - Guitar Recorded Versions ...

Eric Clapton has produced a gem of a rock memoir, in which he lays bare the painful roots of his music. Clapton speaks honestly and touchingly not only about the external course of his life but of what music has meant to him. That makes it much the best of this season's rock memoirs. Clapton delivers himself profoundly.
