Cheeseman's 6th edition Business Law is so clear and concise. Great explanations and illustrations. I took Business Law 1 & 2 in undergrad and found his text extremely helpful. Especially the problems. It also provides a great overview of the law. -One gripe is that the pictures are so lame and irrelevant.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Visually engaging, enticing and current examples with an overall focus on business. Business Law continues to be the most engaging text for readers by featuring a visually appealing format with enticing and current examples while maintaining its focus on business. Readers will learn business law, ethics, and the legal environment in a way that will encourage them to ask questions and go beyond basic memorization.

The single most up-to-date text available for the Legal Environment course. The Legal Environment of Business and Online Commerce examines how the current legal environment, government regulation, and e-commerce environment impact today's business decisions. The cases in this text are cutting-edge, exciting, and engaging, and the reasoning of each case is presented in the language of the court.

For one of two semester undergraduate courses in Business Law. This text explains contemporary business law with stories that stick, so students move beyond memorization to a greater conceptual understanding of the field.

Visually engaging, enticing and current examples with an overall focus on business. Business Law continues to be the most engaging text for readers by featuring a visually appealing format with enticing and current examples while maintaining its focus on business. Readers will learn business law, ethics, and the legal environment in a way that will encourage them to ask questions and go beyond basic memorization.

For one on two semester undergraduate and graduate Business Law courses. This exceptionally comprehensive text, which has been praised for its writing style and accessibility offering longer edited cases with more of the actual language of the court renderings has been updated and now features new chapters to address the many recent changes in Bankruptcy Laws. There is also a new chapter on Family Law. It includes numerous business-oriented features that make the course relevant to future managers and integrates ethics and social responsibility, international, contemporary business issues, and e-commerce in every morsel of the text.

This is the only textbook that helps students develop a thorough understanding of the legal environment of business and enhances their ability to engage in critical thinking and ethical analysis. The legal environment of business is thoroughly treated in an extremely reader-friendly manner; various topics include: the American legal system, dispute resolution, constitutional principles, cyberlaw, white-collar crime, contracts, sales, product and service liability, the law of property, agency law, labor-management relations, environmental law, securities trading and issuance, antitrust laws, and debtor-creditor relations. An excellent desk reference for the legal departments of any business, this book also provides an interesting read for anyone interested in business and ethics.

Go beyond rote memorization. "Contemporary Business and Online Commerce Law" presents business law, ethics, and the legal environment in a way that will spur readers to ask questions and go beyond rote memorization. The seventh edition emphasizes coverage of online law and e-commerce as key parts of the legal environment as well as today's social, ethical, and international issues that are important to the study of business law.
