Note: This is the bound book only and does not include access to MyCounselingLab® with Pearson eText. To order MyCounselingLab® with Pearson eText packaged with the bound book, use ISBN 0134270657. Here is a comprehensive, authoritative look at the day-to-day, nuts and bolts responsibilities of the career counselor from a global perspective, or a one-world economy approach to the issues. In it, theory integrates with practice through the use of case studies and examples that bring the concepts to life. Written by a leading expert in the field and long recognized as a leading book in the field, Career Information, Career Counseling and Career Development allows readers to sample the broad array of career options that exist in the field, understand and deal effectively with the rapid changes in technology—and how those changes can be used to foster career development and contribute to the assessment process, understand more fully the relationship of theory and practice, and relate more sensitively with clients regarding their age, gender, race, ethnic group, or sexual orientation. Also available with MyCounselingLab® This title is also available with MyCounselingLab—an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through video clips, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes.

For students taking courses in career counseling. A comprehensive survey of

edition includes updated research, new coverage of the economic crisis, and an all-new Chapter 17 Professional Issues: Ethics and Research. The text also offers thorough coverage of special populations--such as clients in the welfare-to-work program--and the impact of the global economy. Offering comprehensive coverage in a concise format, this popular text remains extremely student friendly with an emphasis on process. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Career Counseling aims to link the past and the present, and to look to the future for significant developments in this critical field. Seven current methods are examined in detail: \* the Trait-and-Factor approach \* the Person-Centered approach \* the Psychodynamic approach \* the Developmental approach \* the Social Learning approach \* the Social Psychological approach \* Computer Assisted Career Counseling Written to inform practicing vocational counselors and students about the practical and applied aspects of various counseling approaches, this book will help them maintain a data-based objectivity.

Career Counseling, 3rd edition, provides a comprehensive, holistic overview of the foundations of career counseling, information on the most effective skills and techniques, and contextual perspectives on career and lifestyle planning, all by nationally and internationally recognized experts. Updated chapters introduce important material not often addressed in introductory texts, such as

## Online Library Career Information Career Counseling And Career Development Pearson New International Edition

rehabilitation, addictive behaviors, counseling couples and families, and working with ethnic and gender/sexual minority clients. Included throughout the text are case studies, informational sidebars, and experiential activities that enhance the reading and encourage additional contemplation of chapter content. Readers can also turn to the book's companion website for chapter test questions, PowerPoints, and additional resources.

"This book establishes a new standard. The focus on 'holism, diversity, and strengths' sets a fresh direction for the field that will inspire today's counselors. Distinct from other texts both in terms of style and ease of use, Career Counseling provides a practical model that connects theory, practice, and resources in hopeful and affirming ways, while offering readers new skills and insights." —Rich Feller, PhD University Distinguished Teaching Scholar, Colorado State University Past President, National Career Development Association "Gysbers, Heppner, and Johnston have continued their excellent contributions to the field with this 4th edition. Their approach is highly practical for counselors in helping diverse clients prepare for and manage the changing workplace and economy. I enthusiastically recommend this book as a must-have resource for counseling professionals and as a textbook for graduate counseling programs." —Kenneth F. Hughey, PhD Kansas State University "We invite all students, professionals, and researchers to read this

volume to enrich their practice, research, and the values by which they should be inspired to persist in being active agents of change in the world." —Laura Nota, PhD, and the Larios Vocational Psychology Team University of Padova, Italy The latest edition of this bestseller will help both counselors-in-training and experienced clinicians update and expand their existing knowledge and skills in career counseling with clients of all ages and circumstances. Significant attention is placed on expanding the career options and empowering the life choices of women; men; racial and ethnic minorities; gay, lesbian, bisexual, and transgender clients; clients from diverse socioeconomic backgrounds; and individuals with disabilities. Additional topics discussed include traditional and postmodern career theories and approaches, forming a productive alliance with the client, effective use of assessment inventories and instruments, helping clients respond to changes in the workplace and family life, working with resistant clients, developing client action plans, and bringing closure to the counseling process. A new chapter titled "Using Social Media in Career Counseling" rounds out this exceptional book.

This text provides the beginning counseling student with a comprehensive overview and discussion of the practical application of career counseling skills. Based on the view that counselors must be prepared in a holistic manner, it covers

## Online Library Career Information Career Counseling And Career Development Pearson New International Edition

the historical and theoretical foundations of career counseling, the skills and techniques needed for career counseling, and contextual perspectives on career and lifestyle planning. Important material that is often overlooked in introductory texts is included, such as career and lifestyle planning with clients in mental health, rehabilitation, and couples and family counseling settings; gender issues; and working with LGBT and minority clients. Throughout the text, case studies, informational sidebars, and experiential activities make for a more engaging learning experience and encourage additional contemplation of chapter content. This new edition features new, updated, and expanded content throughout; the division of career counseling in schools into separate chapters for K-8th grade, high school, and college, including traditional, hybrid, and online campuses; and an online instructor's manual with student resources, offering material to enhance the pedagogical features of the text.
