Catching Genesis was simply adorable. It follows a young werewolf, named Genesis, who is about to turn 18 years old. She's also going to finally find out who the hell is her god damn mate too. She can't decide who it might be but she does eye some options that she would like. Well, her life kind of got flipped upside down once she found out her mate was Logan. He's going to be the alpha of ...

Catching Genesis. March 15, 2018 June 28, 2018 ~ Beck. This book contains werewolves, Lycans (which are different in this book, a nice spin that I have not seen before) and a whole lot of fast-paced drama that was a nice break from the drawn-out series books that I tend to get hooked on. The cover, which is what caught my attention in the first place (whoever said don's judge a book by it ...
