CCH's U.S. Master Tax Guide Hardbound Edition provides helpful and practical guidance on today's federal tax law. This 98th Edition reflects all pertinent federal taxation changes that affect 2014 returns and provides fast and reliable answers to tax questions affecting individuals and business income tax. The U.S. Master Tax Guide contains timely and precise explanation of federal income taxes for individuals, partnerships, corporations, estates and trusts, as well as new rules established by key court decisions and the IRS. Significant new tax developments are conveniently highlighted and concisely explained for quick reference and understanding. The guide's explanations are meticulously researched and footnoted to provide tax practitioners with the most accurate and legally sound guidance to help them understand, apply and comply with today's complex federal tax laws. This guide is built for speed with numerous timesaving features, including a tax calendar, lists of average itemized deductions, selected depreciation tables, rate tables, checklists of income, deduction and medical expense items, and more. These features help users quickly and easily determine how particular tax items and situations should be treated and answer client questions. U.S. Master Tax Guide comes complete with the popular Quick Tax Facts card that can be detached for at-a-glance reference to key tax figures and other often referenced amounts used in preparing 2014 income tax returns, and a special bonus CPE course supplement entitled "Top Federal Tax Issues for 2015," which focuses in on the most significant and thorniest new tax developments affecting practitioners for the year. The Top Federal Tax Issues Course allows professionals to earn CPE credit while keeping up-to-date on the most important tax issues (grading fee additional).

The U.S. Master Tax Guide provides helpful and practical guidance on today's federal tax law. This 99th Edition reflects all pertinent federal taxation changes that affect 2015 returns and provides fast and reliable answers to tax questions affecting individuals and business income tax. The U.S. Master Tax Guide contains timely and precise explanations of federal income taxes for individuals, partnerships, corporations, estates and trusts, as well as new rules established by key court decisions and the IRS. The Master Tax Guide's explanations are meticulously researched and footnoted to provide tax practitioners with the most accurate and legally sound guidance to help them understand, apply and comply with today's complex federal tax laws. For added value, the U.S. Master Tax Guide is also annotated to CCH's Federal Standard Tax Reporter, Tax Research Consultant and Practical Tax Explanations for more advanced, detailed, historical and in-depth research resources. The U.S. Master Tax Guide is built for speed with numerous time-saving features, including a tax calendar, lists of average itemized deductions, selected depreciation tables, rate tables, checklists of income, deduction and medical expense items, and more. These features help users quickly and easily determine how particular tax items and situations should be treated and provides quick and clear answers to client questions. MTG comes complete with the popular Quick Tax Facts card that can be detached for at-a-glance reference to key tax figures and other often referenced amounts used in preparing 2015 income tax returns, and a special bonus CPE course supplement entitled "Top Federal Tax Issues for 2016," which focuses in on the most significant and thorniest new tax developments affecting practitioners for the year. The Top Federal Tax Issues Course allows professional

The Australian Master Tax Guide is Australia's leading tax reference manual. Now in its 56th edition, it has been continually refined to help practitioners, businesses, other organisations and students quickly locate accurate answers to their tax questions. About this updated edition This practical and comprehensive new edition incorporates the continuing flow of changes of practical significance that are a product of our complex tax system. Designed for use by tax practitioners, lawyers, accountants, taxpayers, corporations and business organisations, and students, the Guide is highly practical and includes: handy checklists and tables, complete effective life (depreciation) tables and calendar of key tax dates, updated practical examples and tax planning points, a useful table tracking the progress of Federal Budget measures, expanded tax return preparation checklists for company, partnership and trust tax returns which link to commentary in the Guide and to the relevant parts of the ATO instructions, and finding lists and a comprehensive index. Content in this edition includes: the current status and explanations of the government's budget measures, and announced tax and super changes, details of proposed changes to the taxation of benefits under employee share schemes, changes to the treatment of excess non-concessional superannuation contributions, and changes in tax and super rates and levies for 2014/15, and proposed changes for 2015/16. You will find the most significant tax changes highlighted at the beginning of the book. Legislation that is pending (including all the latest amendments) is monitored in a separate chapter with cross-references to the discussion in the substantive chapters. Whether you use the Guide to help prepare tax returns for the current tax year, or to work out the tax issues and implications of decisions and transactions, the Australian Master Tax Guide is an essential resource for anyone working in or dealing with tax. Oxford University Press Australia & New Zealand is the non-exclusive distributor of this title.

CCH's U.S. Master Sales and Use Tax Guide is a quick-answer resource for professionals who work with multiple state tax jurisdictions. This

CCH "Master Guide" serves as a handy desktop reference containing succinct explanations and quick-glance charts detailing common sales and use tax issues for all states and the District of Columbia. It provides easy-to-read multistate overviews of sales taxes and describes for each state the basis, state and local tax rates, principal payment and return due dates, and countless other key facts and figures. The U.S. Master Sales and Use Tax Guide's concise and practical desk-reference format makes it the perfect complement to CCH's comprehensive update subscription service--the Multistate Sales and Use Tax Guide, providing busy professionals with an annual snapshot of sales tax provisions they'll need to refer to time and again throughout the year.
