Pass the Child Development Associate (CDA) credentialing process the first time with the premier prep guide. The CDA Prep Guide: The Complete Review Manual, Fourth Edition is easy to understand and will guide you step-by-step support through the credentialing process, including choosing your training, compiling the Professional Portfolio, and successfully completing the Verification Visit and CDA Exam. The fourth edition of The CDA Prep Guide has designated center-based preschool, center-based infant/toddler, and family child care sections, with information specific to each setting. After receiving your CDA credential, you can continue to use this book to renew your credential, to earn a CDA for a different setting, and to develop goals for future professional development.

Expert advice from a "personal mentor" to lead you through the new CDA process Major changes have been made to the Child Development Associate (CDA) Credential™ process. This guide has been updated to reflect all of the new material and requirements to help you reach your educational and career goals as you earn the Credential. This third edition of The CDA Prep Guide has designated center-based preschool, center-based infant/toddler, and family child care sections, with information specific to each setting. Throughout this book, easy-to-understand assistance, as well as sample documents and forms, will help simplify the required tasks of CDA documentation and assessment as you: Assemble the Resource Collection for your Professional Portfolio Compose the six Reflective Statements of Competence Distribute and collect the Family Questionnaires Select a Professional Development Specialist Prepare yourself and your setting for the observation Complete the application Prepare for the CDA Exam Prepare for the Verification Visit This book is intended to supplement the materials you receive from the Council for Professional Recognition. After receiving your CDA Credential, you can continue to use this book to renew your credential, to earn a CDA for a different setting, and to develop goals for future professional development. Debra Pierce is an educator, CDA Trainer, and a certified CDA Professional Development Specialist for the Council for Professional Recognition. She has been mentoring CDA candidates since 1997 and taught dual credit CDA courses in a large metropolitan high school. She has been a preschool, kindergarten, and first grade teacher, as well as a Parent Educator for the national Parents as Teachers program. Currently, Debra is professor of Early Childhood Education at Ivy Tech Community College of Indiana and conducts CDA train-the-trainer workshops across the country.

Presents techniques for teaching based on the "Love and Logic" philosophy of working with children.

Navigating the new Child Development Associate (CDA) process doesn't have to be difficult. This guide provides step-by-step expert advice.

The magic of mixing colors, in a joyous story by a master colorist Zena's world lacks color, so she sets out to find some. On her walk, she first finds one primary color, then another. But red, blue, and yellow aren't enough—Zena wants more colors! Out pops an orange lion, a green frog, and a purple dragon, a combination of the colors she has seen. Zena and her friends then do some color mixing themselves, creating more colors and a bright painting using them all. Vibrant illustrations and simple text make Monica Wellington's latest a perfect pick for budding young artists and for fans of classics such as *The Color Kittens* and *Mouse Paint*.

Describes the changing sounds of the rain, the slow soft sprinkle, the drip-drop tinkle, the sounding pounding roaring rain, and the fresh wet silent after-time of rain.
