Childhood In World History Themes

Taking a global look at what the category of childhood has meant from agricultural societies to the present day, Childhood in World History offers a vital overview of this topical field. Through comparative analysis, Peter Stearns facilitates a cross-cultural and transnational understanding of attitudes towards the role of children in society, and how "models" of childhood have developed throughout history.

Childhood in World History (Themes in World History ...

Colin Heywood s rich account of childhood from the early Middle Ages to the First World War provides a concise and readable synthesis of the extensive literature on childhood. He gives a long-run historical perspective on the key dimensions to childhood, including ideas on the nature of the child, relationships with parents, interactions with others of a similar age, and children's health, working life and education.

A History of Childhood (Themes in History): Amazon.co.uk ...

The history of childhood has been a topic of interest in social history since the highly influential book Centuries of Childhood, published by French historian Philippe Ariès in 1960. He argued "childhood" as a concept was created by modern society.Ariès studied paintings, gravestones, furniture, and school records. He found before the 17th-century, children were represented as mini-adults.
