Nothing is new or original in Christianity. That is the important thesis demonstrated in Christianity Before Christ. The least important features, as well as the most important components, were all well developed in cultures that flourished before the time that Christ is alleged to have walked the parched paths of Roman Palestine.

Gnosticism (from Ancient Greek: γνῶσις, romanized: gnōstikós, Koine  
Greek: [ gnōstikós ], 'having knowledge) is a collection of religious ideas and  
systems which originated in the first century AD among early Christian and Jewish  
sects. These various groups emphasised personal spiritual knowledge over the  
orthodox teachings, traditions, and authority of the church.

~~Gnosticism—Wikipedia~~

An unapologetic atheist, he authored a number of books on the idea, including *The  
African Origin of Christianity* (1981) and *Christianity before Christ* (1985), as well  
as writing the foreword to Gerald Massey's *Lectures* (1974). He also wrote the  
controversial text, *Was Jesus Christ a Negro?* (1984), which argued that Jesus may  
have been a black man.
