Citroën C6 - Wikipedia

Manual transmission is rare on a C6, the majority of cars having six-speed automatic gearboxes. The specification of the C6 makes enticing reading. The top of the range Exclusive model has heated front seats that are electrically adjustable, the driver's seat having two memory positions.

The Citroen C6's interior is an example design excellence – even if lighter trims are prone to showing grubby marks. The driver has simple LCD dials in front of the large steering wheel, and a head-up display which beams basic information into the windscreen. A large screen in the centre of the dashboard provides information on the navigation, audio and heater controls. The centre console ...
