The Necrons are a deathless race of alien androids, rulers of the galaxy in a long-forgotten era. Now, having slumbered in stasis for millennia, they are rising up to conquer it again. Clad in self-repairing bodies of living metal and wielding weapons that harness the most devastating energies of the cosmos, the Necrons are a terrifying enemy. Fearless, relentless, and utterly without mercy, they advance in serried ranks and lay down withering storms of fire fit to annihilate even the mightiest of foes. The hyper-resilient Necron soldiery are supported by murderous specialist units, techno-sorcerous war machines, mindless Canoptek constructs, and shards of shattered star gods. They are led to war by undying nobles wielding weapons of devastating power, driven by the absolute conviction that they are the rightful rulers of the stars. And if the long sleep has reduced many Necrons to mindless monsters, or ravaged their sanity and transformed them into murderous demigods? Such madness only makes them an even greater and more terrible threat.

The movie *The Hustler* was without doubt the greatest movie ever made about the game of pool and was one of the greatest movies ever made about any subject. It was nominated for multiple Academy Awards. Although Fast Eddie Felson was an entirely fictional person, Minnesota Fats was a real man and was a real pool hustler but was largely unknown outside of the world of pool until the movie came out. His real name was Rudolf Walter Wanderone. His family had come from Switzerland. He never won a major championship but often won money from the best players in the world. He was definitely a money player, winning money when the stakes were high. On these pages "Fats" gives you instructions on the Fundamentals of Pool with photographs showing the proper stance, bridge, stroke and follow through. Fully illustrated instructions for making bank shots, rail shots, straight-ins, and more plus "English" and its use. All game rules including bank pool, one pocket, Kelly, nine ball, bumper pool, and others with referee instructions. Interesting facts on cues, their maintenance and repair plus detailed instructions on re-covering your pool table.

Captain Cato Sicarius and Chief Librarian Tigurius are Damnos's last hope against relentless--and remorseless--alien enemies, and as they lead the Ultramarines against the foe, Tigurius receives a vision that could change the tide of war.
