Concept development process In this chapter, we will focus on concept development and the first two of its three components: clarifying requirements, concept generation and concept selection. Figure 1 The design process with the three detailed stages of concept development

1-Introduction to Design and the Concept Development Process

concept. To do this, a Strategy-as-Practice (SAP) lens was applied on empirical findings from a large construction company. SAP is a rather recent stream of research which portrays strategy as a socially constructed activity inherent to organizational life. Based on this perspective this thesis has considered strategy and organizational
