The title, Content Rules, refers more to the influence your content engenders than it does to any sort of principles you should apply to its creation. The authors provide guidelines for getting the maximum mileage from the content that you, or your organization, generate, but not a fool proof formula for marketing success.

I wanted to talk about our themes from Content Rules, but wanted to drive home the point that even with the coolest, most engaging content in the world, it will fail if you don't use manners and smart business skills to share it with others. To me this is common sense, but in example after example I showed how it obviously isn't for the brands that are doing it wrong.
