“Fascinating...crisp, evocative writing.... The tapestry here is rich and varied.”  
CLEVELAND PLAIN DEALER Late spring in the year of our Lord 1370, and Owen Archer is anxious to leave Wales for home. His mission for the Duke of Lancaster complete, he attempts to arrange safe passage on a ship sailing for England, but the hanging of a stonemason interrupts his plans. On the surface it appears the young man was driven to suicide by a broken heart, but to Owen the signs all point to murder. As his investigation stretches on, however, Owen finds himself drawn into the influence of the leader of a Welsh rebellion whose manifesto speaks to his heart, and a choice is offered to him: join or die. Meanwhile, at home in York, Owen’s wife Lucie is troubled by rumors that her husband’s long absence is permanent, as well as threats by a customer who claims she was poisoned by a physic from the Wilton apothecary.

- This book is printed in a 16 pt. large font for easier reading. The History of the Church of Jesus Christ of Latter-day Saints is also the history of the opening and progress of the Dispensation of the fullness of Times; and as that dispensation bears an important relation to all dispensations which have preceded it, let us here ascertain in what that relation consists. By doing so we shall have a better appreciation of the full import of those events which make up the history of the Church. In publishing the History of the Church of Jesus Christ of Latter-day Saints, it is felt that a solemn duty is being performed to the Saints and to the world. The events which make up the history of the Church in this age are the most important that history can chronicle. It is due therefore both to the Saints themselves and to the world that a faithful and complete history of the facts in which the Church of Jesus Christ of Latter-day Saints had its origin, together with the events through which it was subsequently developed, and all the circumstances, experiences and trials through which it passed be made known to mankind. Elder B. H. Roberts consulted diaries, printed sources, and remembrances of Church members to prepare a history of the Church that centered mainly on the life of Joseph Smith.

Before it was published, Elder Anthon H. Lund and President Joseph F. Smith read and approved the work. The resulting seven volumes, over forty-five hundred pages, known as the History of the Church has since become a great resource to Church members and historians alike.
