In Deserved, it is now five years later and Jade is a single mom making it on her own until circumstances changed and she is forced to move back to the Satan's Rebels MC. The club takes her under their wing to protect her and I knew that when I read the first two books in this series, Destroyed and Destined, that I would have to jump on this as soon as it was released.

Love means loss. Alana Jacobs knows that better than anyone. After witnessing an unspeakable act of violence, she is left alone and afraid in a group home in Langley. Then she meets Jackson "Jax" Cade. In each other, they find a purpose in life, an unbreakable bond that will withstand the test of time... until that tie is severed. Some secrets are never meant to be kept. Jax is willing to do anything to protect his best friend, no matter the cost. What he doesn't realize is that Alana is willing to do the same. When the truth comes out, devastation follows. Leaving Alana wasn't Jax's decision, but saving her was. Manipulation and deception go hand in hand. Paul Randall is the master of exploitation, capable of crawling inside the mind of his victims with ease. He will go to any lengths to get what he wants, and what he wants is Alana Jacobs. Falling in love with your prey is a game changer, but old habits are hard to break. Happiness always comes at a price. Hearts will be broken and pain will be inevitable, but losing yourself is irreparable. WARNING: The characters in this story overcame horrific neglect and abuse, both mental and physical, and have taken extreme steps to survive during their journey through the darkness into the light. Due to graphic content and mature subject matter (explicit language, acts of violence, sexual content both consensual and not, drug use, prostitution and sex-trafficking), this book should not be purchased by readers under the age of 18 or the faint of heart.

"There are two types of pain in this world - the pain that hurts you and the pain that changes you." I chose to walk down a dark path in life believing I was the one in control. I was wrong. Overcoming my addiction was just the first step in my recovery. The club gave me a reason to continue the climb, but it was meeting Bella that gave me a purpose. I never meant to fall for Bella, but loving her was too easy. She completes me in a way I never thought possible. "The dark is unending. There are always demons lurking in the shadows." Forgetting the past is never an option, especially when facing it terrifies you. I thought I'd never be able to move on, until I met him. Blake Andrews didn't just save me, he showed me what true love was all about. "With pain comes strength. With strength comes peace." Fate brought Blake and Bella together, but it takes more than just love to forge a bond that will last a lifetime. It takes someone completely... DEVOTED.

Jade Moore was no stranger to the MC lifestyle. Growing up the daughter of the President of the Satan's Rebels, she knew all about family and loyalty. Her world slowly crumbles when she loses not only her parents, but her brother and best friend. Her Uncle steps in and becomes the family she so desperately needs. But what happens when the only family you have left betrays everything you have ever known? Jade is dragged into the Condemned Warrior's world where she is imprisoned for four agonizing years. Beaten and brutalized, she wishes for death, but it never comes. Reaper inherited the MC from his brother, Halo, and will do whatever it takes to keep the club safe. Anything, including handing over his niece to the club's enemy. All he has to do is convince her brother, Tank, and best friend, Shadow, that she has run away. Easy. But what Reaper never expects is for Tank and Shadow to come home looking for answers years later and discovering the truth. Tank and Shadow return to their hometown to investigate missing funds. It's when they begin digging for the evidence, they discover a much darker secret that Reaper has been hiding. Enlisting the help of the club's Sergeant at Arms, Viper, they set out to rescue Jade and bring her home where she belongs. Viper's reputation is well known both inside and out of the MC. He is a cold-blooded killer, incapable of any feeling but hatred. His allegiance lies with Tank and the club. He will do whatever it takes to bring Jade home, even if it means crossing enemy lines to save her. What he doesn't expect is to fall for her. This book is intended for Adults 18 and over due to graphic scenes involving sex, language, and violence. This novella is book one in the Satan's Rebels MC series.

Aces High ⚡ Charleston Book 1 I was eight years old when I found out I had a father. It was the same day I held my dead mother in my arms while praying her life wasn't really over. I was dropped into the middle of a new family not long after that. My dad, his wife, and their two kids to be exact. My new brother was ten years old and my sister was five. It doesn't take a genius to figure out I wasn't supposed to be there. My family ended up bigger than that though. My dad was a member of the Aces High Motorcycle Club. From the very beginning I was ostracized because of who my mother had been. The daughters of club members were generally known as MC Princesses. My little sister was one. My title was a bit different, and proved that my mom's sins would always be held against me. I was The Other Princess. My family, both by blood and MC ties, did wrong by me so I walked away from them. That was until he came home from the Army. He tried to fix everything. He tried to win an unattainable heart that had shut down years earlier. I would know since it was my heart he was after. He didn't realize it would take a miracle. Secretly, I hoped I could still believe in miracles. *Note: The Aces High Charleston Series should be read in order.

Beth and Skull must overcome many obstacles and personal problems in order to be together.

Except, Charlotte's already in danger. Her past has caught up with her, and this time, she may not survive.

The last thing she needs after running from one monster is to land in the lair of the Devil. Twenty-one year old Ember flees her past with soot on her face, ash in her hair, and a promise. She'll never let another man take away her freedom and treat her like she means nothing. But that is exactly what Maverick Gunn, leader of the notorious Harbingers of Chaos motorcycle club seeks to do from the moment his lethal gaze locks on her. He burns her with every look. Every touch. Every word. Ember's only hope is to convince him she's nothing like the woman who blackened his soul before he drags her down into the darkness with him. WARNING: For Mature Audience 18+ Contains Adult Sexual Situations & Language
