DEUTZ certified training is available at
authorized facilities across the Americas.
Each location employs a factory trained
instructor with access to the latest service
and diagnostic tools. Training materials
are uniform and updated regularly based
on field experience in order to ensure that
they remain relevant to the technician on
the job site.

The award honours the Company's exceptional commitment to vocational training, and the IHK also praised the very good exam results of the DEUTZ apprentices, which were again well above the chamber's average. This is the eighth year in succession that DEUTZ AG's training centre in Cologne has received this accolade from the Cologne IHK.
