L'ultimo (emozionante) capitolo del "Diario di bordo" di Matteo Pessina  
Entornointelligente.com / I write on behalf of the Heart Foundation of Jamaica (HFJ) in relation to the article in The Sunday Gleaner, June 27, written on behalf of the Jamaica Manufacturers and ...

Contributed articles with special reference to 1947 partition of Bengal.

During the 1989 Tiananmen Square massacre, poet Lin Ying escapes, desperately trying to reach her lover, but after finding him in bed with the wife he is supposed to be divorcing, she finds comfort in a fellow student's bed, in a dramatically sensual novel originally banned in China. Reprint. 15,000 first printing.

The best of Eluard's poems in a bilingual edition as chosen and arranged chronologically by the editor and translator. Surrealist, resistance fighter during the Nazi occupation of Paris, connoisseur of art, litter'ateur, and lover of common people, Eluard exemplies for many the poet of pure diction.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

\*Explores the history and architecture of two city squares, constructed by rival political parties, in the Italian city of Parma from 1196 to 1300\*--Provided by publisher.

In the last two decades, research on spatial paradigms and practices has gained momentum across disciplines and vastly different periods, including the field of medieval studies. Responding to this 'spatial turn' in the humanities, the essays collected here generate new ideas about how medieval space was defined, constructed, and practiced in Europe, particularly in France. Essays are grouped thematically and in three parts, from specific sites, through the broader shaping of territory by means of socially constructed networks, to the larger geographical realm. The resulting collection builds on existing scholarship but brings new insight, situating medieval constructions of space in relation to contemporary conceptions of the subject.

Maligned by modern media and often stereotyped, Italian Americans possess a vibrant, if largely forgotten, radical past. In Italian Immigrant Radical Culture, Marcella Bencivenni delves into the history of the sovversivi, a transnational generation of social rebels, and offers a fascinating portrait of their political struggle as well as their milieu, beliefs, and artistic creativity in the United States. As early as 1882, the sovversivi founded a socialist club in Brooklyn. Radical organizations then multiplied and spread across the country, from large urban cities to smaller industrial mining areas. By 1900, thirty official Italian sections of the Socialist Party along the East Coast and countless independent anarchist and revolutionary circles sprang up throughout the nation. Forming their own alternative press, institutions, and working class organizations, these groups created a vigorous movement and counterculture that constituted a significant part of the American Left until World War II. Italian Immigrant Radical Culture compellingly documents the wide spectrum of this oppositional culture and examines the many cultural and artistic forms it took, from newspapers to literature and poetry to theater and visual art. As the first cultural history of Italian American activism, it provides a richer understanding of the Italian immigrant experience while also deepening historical perceptions of radical politics and culture.
