On board diagnostics. 1997 model year (UN) Explorer. Related to the Ford Explorer repair manual (Part no. WM312). The 1997 service manual provides information covering emissions for 1997 Ford Motor Company trucks. Complete emissions related diagnostic procedures for all affected systems or components that are affected are covered in this manual. The descriptions and specifications contained in this manual were in effect at the time this manual was approved for printing.

This series of comprehensive manuals gives the home mechanic an in-depth look at specific areas of auto repair.

This book is designed to present, in one convenient source, comments published in periodicals about 325 automobile models manufactured since 1987 on a model-by-model basis. These periodicals range from general interest to specialized sources as well as repair manuals and other publications related to the individual models.
