The market leading undergraduate investments textbook, *Essentials of Investments*, 8e by Bodie, Kane and Marcus, emphasizes asset allocation while presenting the practical applications of investment theory. The authors have eliminated unnecessary mathematical detail and concentrate on the intuition and insights that will be useful to practitioners throughout their careers as new ideas and challenges emerge from the financial marketplace. The eighth edition has been fully updated to reflect the recent financial crisis and includes a new chapter on Hedge Funds.

*Fundamentals of Investments* focuses on students as investment managers, giving them information to act on by placing theory and research in the proper context. The text offers a balanced, unified treatment of the four main types of financial investments—stocks, bonds, options, and futures. Topics are organized in a way that makes them easy to apply—whether to a portfolio simulation or to real life—and supported with hands-on activities. Then, resources within Connect help students solve financial problems and apply what they've learned. Jordan's managerial perspective and superior pedagogy combine with a complete digital solution

Discover how practical international finance can be with the unique blend of international finance theory and current applications found in INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 9E. Using familiar companies such as Nike, author Jeff Madura clearly explains international finance in understandable terms with the support of hands-on applications. The book focuses on management decisions that maximize a firm's value. Readers examine some of the latest developments in international finance with the text's timely examples and extensive links to related Internet content. New Excel exercises and a variety of multinational corporation projects help readers refine their international finance skills. This Abridged Edition provides flexibility and an economical text choice by offering all chapters from the Full Edition but makes several of the chapters that are less frequently used available online at <http://academic.cengage.com/finance/madura>. Readers develop the international finance management skills needed to succeed in today's ever-changing market with the balance of solid theory and practical applications found in Madura's INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 9E. This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For all undergraduate and graduate students of Financial Markets. This title is also suitable for all readers interested in financial markets and institutions. A practical and current look into today ' s financial markets and institutions. In Financial Markets and Institutions , bestselling authors Frederic S. Mishkin and Stanley G. Eakins provide a practical introduction to prepare students for today ' s changing landscape of financial markets and institutions. A unifying framework uses core principles to organize students ' thinking then examines the models as real-world scenarios from a practitioner ' s perspective. By analyzing these applications, students develop the critical-thinking and problem-solving skills necessary to respond to challenging situations in their future careers. Although this text has undergone a major revision, the Eighth Edition retains Mishkin/Eakins ' hallmark pedagogy that make it the best-selling textbook on financial markets and institutions. This program will provide a better teaching and learning experience – for you and your students. Here ' s how: Organize Learning with a Unifying Analytic Framework: Core principles organize students ' thinking and then examine the models as real-world scenarios from a practitioner ' s perspective. Help Students Transition from Classroom to Career with Real-Life Business Scenarios: Cases increase students ' interest by applying theory to real-world data and examples. Emphasis Critical Thinking with Key Features : Examples and exercises allow students to put into practice the concepts that they are learning. Keep Your Course Current and Relevant: New material on financial markets and institutions and monetary policy appear throughout the text.
