Extra Practice & Enrichment - In Room 215
One way in which to help these students is through additional practice with high-frequency words. High-frequency words are often called sight wordsbecause readers need to know them at a glance. Since 100 high-frequency words make up about half of all the words found in books, it is crucial for students to be able to read and spell them.

Extra Practice - Miss Moore Room 104
One way in which to help these students is with additional practice in word study. Understanding the structure of words provides useful information to readers when they are figuring out meaning and pronunciation. Elements such as prefixes, suffixes, and roots are invaluable when encountering new words.

2nd gradeCommon CoreMath practice - Home
<---For this final extra credit assignment, number your paper 1-20 and determine whether the word "a" or "an" should go in the blank. Use "a" before words that begin with a consonant sound. That means they do not begin with vowel sounds. Use "an" before words that do begin with vowel sounds. Remember, go by the sound of the word. Don't just go ...
