Bethel Music - Faithful to the End Lyrics | Genius Lyrics

Faithful To The End. Richard Barnfield once remarked, "Words are easy, like the wind; faithful friends are hard to find." 1 It is of great comfort, therefore, to come to know One who is ever faithful, God himself. As Thomas Kelly wrote in his well-known hymn, Trust in Him, ye saints, forever, He is faithful, changing never;

Faithful to the End provides fresh, classroom-ready introduction to Hebrews through Revelation, emphasizing each of these New Testament book's theme of perseverance in the faith.

Daily Devotional to help us stay faithful to God.

Faithful to Save is an exposition and analysis of Pannenberg's doctrine of reconciliation as it appears in his three-volume Systematic Theology. It suggests that this doctrine is best approached by bearing in mind its three most salient characteristics, all of which are inter-dependent, and when kept in view make the essential tenets of Pannenberg's account transparent: God acts freely and immediately in and for creation; history is a function of the faithfulness of God to his creation; reconciliation is an expression of this faithfulness towards sinful creation - God's 'holding fast' to creation despite its self-destructive self-assertion. On the basis of a detailed examination of the central texts, it argues that Pannenberg's doctrine of reconciliation at once marks out God's action in the world as the true Infinite and issues an invitation to consider how such a God extends himself in reconciling love to his creatures so that their finite creatureliness is at every turn affirmed and found to be in the end 'good'.

Faithful to the Future examines the true nature of Christian Tradition and particularly how it implies a fidelity not only to the past but to the future as well - tradition appears to be inseparable from creativity and reform. Congar's sense of the future and his conviction that something very important is happening in history led him to re-emphasize forgotten dimensions of Christian tradition, especially those that value the human person. When Congar reflected on Church authority and how it is best exercised, he was not thinking about a power that curtails freedom. Seeking to rediscover what is specific to Christianity, he described authority as a reality that is at the service of growth, where paying attention to the unknown and the unexpected is of the utmost importance. Congar was one of the greatest artisans of Vatican II and his writings are characterized by the urgent call for the reforms made necessary by a changing world, and by an understanding of catholicity - a sense of the Church that is not sectarian, but that lives and

thinks "according to the whole". This volume explores the four themes that are prominent in Congar's writings, namely tradition, reform, catholicity and authority. The book does not assume a detailed knowledge of Congar's writings but addresses a difficulty that is frequently encountered in the present time - no one better than Yves Congar has shown that the Church is not a "system".

In his last known epistle, Apostle Paul, the extraordinary missionary to the Gentiles, left a poignant reflection on the most important matters in life. As we read and meditate on 2 Timothy, we are challenged to think about the direction and destiny of our own lives. · Are we in the Story of Jesus or are we in the many faulty and futile stories of the world? · Are we being useful to the King of kings or are we wasting our lives in something transient and puny when measured against eternity? These questions and more come to us from Paul's epistle and have to be answered in each of our hearts. Robert Solomon's passion for biblical exposition helps us plumb the depths of God's Word and let it cast its searchlights on our lives so that we are taught, rebuked, corrected, and trained in righteousness (2 Timothy 3:16).
