MAKE THE PUNISHMENT FIT THE CRIME. FBI agent Frank Castle's final case ends with a literal bang, when a wannabe weapons smuggler is gunned down during a sting operation. But the dead man isn't just any punk. He's the son of Howard Saint, the powerful Florida tycoon whose hot-spot nightclub has made him famous, and whose multimillion-dollar money-laundering business has made him as rich--and as ruthless--as any of his gangster clients.

Saint wants payback—with interest—for his boy's death. And he gets it, by orchestrating a massacre that claims the lives of Frank Castle's beloved wife and son—and almost kills Castle. But almost doesn't count. Now Frank Castle—ex-FBI agent, ex-Special Forces commando, ex-husband and father—is canceling his retirement and starting a new career. One that begins with teaching Howard Saint the ultimate lesson: No evil deed goes unpunished. The novelization of the major motion picture.
