For Your Own Good, the contemporary classic exploring the serious if not gravely dangerous consequences parental cruelty can bring to bear on children everywhere, is one of the central works by Alice Miller, the celebrated Swiss psychoanalyst. With her typically lucid, strong, and poetic language, Miller investigates the personal stories and case histories of various self-destructive and/or violent individuals to expand on her theories about the long-term affects of abusive child-rearing. Her conclusions—on what sort of parenting can create a drug addict, or a murderer, or a Hitler—offer much insight, and make a good deal of sense, while also straying far from psychoanalytic dogma about human nature, which Miller vehemently rejects. This important study paints a shocking picture of the violent world—indeed, of the ever-more-violent world—that each generation helps to create when traditional upbringing, with its hidden cruelty, is perpetuated. The book also presents readers with useful solutions in this regard—namely, to resensitize the victimized child who has been trapped within the adult, and to unlock the emotional life that has been frozen in repression.

In direct opposition to the Freudian drive theory, the author of the best-selling *The Drama Of The Gifted Child* believes that children, at birth, are inherently good, and she traces all forms of criminal deeds to past mistreatments.

Read PDF For Your Own Good Hidden Cruelty In Child Rearing And The Roots Of Violence Alice Miller

Originally published in 1984, *Thou Shalt Not Be Aware* explodes Freud's notions of "infantile sexuality" and helps to bring to the world's attention the brutal reality of child abuse, changing forever our thoughts of "traditional" methods of child-rearing. Dr. Miller exposes the harsh truths behind children's "fantasies" by examining case histories, works of literature, dreams, and the lives of such people as Franz Kafka, Virginia Woolf, Gustave Flaubert, and Samuel Beckett. Now with a new preface by Lloyd de Mause and a new introduction by the author, *Thou Shalt Not Be Aware* continues to bring an essential understanding to the confrontation and treatment of the devastating effects of child abuse.

More than twenty years ago, a little-known Swiss psychoanalyst wrote a book that changed the way many people viewed themselves and their world. In simple but powerful prose, the deeply moving *Drama of the Gifted Child* showed how parents unconsciously form and deform the emotional lives of their children. Alice Miller's stories about the roots of suffering in childhood resonated with readers, and her book soon became a backlist best seller. In *The Truth Will Set You Free* Miller returns to the intensely personal tone and themes of her best-loved work. Only by embracing the truth of our past histories can any of us hope to be free of pain in the present, she argues. Miller uses vivid true stories to reveal the perils of early-childhood mistreatment and the dangers of mindless obedience to parental will. Drawing on the latest research on brain development, she shows how spanking and humiliation produce dangerous levels of denial, which leads in turn to emotional blindness and to mental barriers that cut off awareness and the ability to learn new ways of acting. If this cycle repeats itself, the grown child will perpetrate the same abuse on later generations--a message vitally important, especially given the increasing popularity of programs like *Tough Love* and of "child disciplinarians" like James Dobson. *The Truth Will Set You Free* will provoke and inform all readers who want to know Alice Miller's latest thinking on this important subject.

Parenting for a Peaceful World is a fascinating look at how child-rearing customs have shaped societies and major world events. It reveals how children adapt to and are influenced by different parenting styles and how safeguarding their emotional development is the key to creating a more peaceful, harmonious and sustainable world. Practical advice for raising a well-adjusted child includes tips on supporting your child's developing emotional intelligence, understanding how your childhood has influenced your own emotional make-up, and helping you achieve your full parenting potential. Drawing on leading edge brain research, child-development studies, psycho-history, and personal and clinical experience, this completely revised and updated edition of Parenting for a Peaceful World is a must-read for parents, child health professionals, teachers, and for adults seeking to heal and grow.

The bestselling book on childhood trauma and the enduring effects of repressed anger and pain Why are many of the most successful people plagued by feelings of emptiness and alienation? This wise and profound book has provided millions of readers with an answer--and has helped them to apply it to their own lives. Far too many of us had to learn as children to hide our own feelings, needs, and memories skillfully in order to meet our parents' expectations and win their "love." Alice Miller writes, "When I used the word 'gifted' in the title, I had in mind neither children who receive high grades in school nor children talented in a special way. I simply meant all of us who have survived an abusive childhood thanks to an ability to adapt even to unspeakable cruelty by becoming numb.... Without this 'gift' offered us by nature, we would not have survived." But merely surviving is not enough. The Drama of the Gifted Child helps us to reclaim our life by discovering our own crucial needs and our own truth.

Read PDF For Your Own Good Hidden Cruelty In Child Rearing And The Roots Of Violence Alice Miller

Alise has uncovered a web of family secrets reading her mother's journals that connect to the lives of those closest to her. Now she has to contend with her new career as Director of Global Charity at TG and the irresistible Tyler Moore, while harboring secrets of her own. Tyler Moore is new in town and wants to make his mark on the world as the new Director of Marketing at TG, but at the same time he wants Alise Addison with a passion he's never known. Tyler becomes engrossed in Alise's life as an old flame from her mother's past returns to exact revenge, while also harboring a secret that threatens a relationship between them. Together Alise and Tyler are about to discover that every family has their secrets and some family secrets should stay hidden. Excerpt: My Secrets: Book Two in The Secret Series "You've known about this for weeks! Alise, I trusted you and you lied to me! What else are you keeping from me?" He really didn't want me to answer that question because it was a truckload of secrets. "As a matter of fact you know what don't answer that! You were right. You just like your mother!"

Vivia is a hag, one of the last of her race, and can die, visit the underworld and return at will. She has a job she loves-helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.' As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to realise there's a lot more at stake than just a possible zompocalypse...

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him

Read PDF For Your Own Good Hidden Cruelty In Child Rearing And The Roots Of Violence Alice Miller

begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

How do our experiences of pain and love affect our future? The author shows people who have suffered great loneliness in childhood and now, as adults, are still trapped in isolation. Encounters with others from loving families open them to new worlds in which they can learn to change.
