Jade and Garret have a love story like no other. They've survived heartache, tragedy, and numerous forces trying to tear them apart, but through it all they've developed a love that will endure forever. Now it's time to celebrate their love with a wedding. It's summer break and as they await the big day, Jade and Garret are living together on a beach in California with their best friends Sean and Harper right next door. But their lives aren't completely carefree. Trouble erupts within the Kensington family and certain people don't show up at the wedding. An unexpected visit from someone in Garret's past causes stress for Jade and Garret. And planning the big event makes Harper question her future with her boyfriend, Sean. It's a summer filled with fun, romance, love, and friendship mixed with a little family drama and a touch of mystery. But most of all, it's a summer Jade and Garret will never forget and the perfect start to their new life together. Note: This is a New Adult Romance novel and contains mature language and situations.

Final book in The Jade Series! Includes an extended epilogue! The countdown has begun. Garret's running out of time and he's losing patience as he waits for his father to take action. It's getting harder to keep this a secret from Jade, and he may not be able to after an unexpected visitor stops by. Harper and Sean have their own dilemma, yet neither one of them understands what's really going on. Jade and Garret don't want to get involved, but it's hard not to when they learn about the plan for Harper's future. But Jade and Garret have to stay out of it. They have their own issues to deal with. With the timer literally ticking away, Garret decides to take matters into his own hands. But does he have what it takes to end this? If he does this, he can't go back. He'll never be the same. But he may not have a choice. He'll do whatever it takes to save Jade. Note: This is a New Adult Romance and contains mature language and situations.

I'm a true romantic. I believe in fairy tales, soulmates, and happily ever afters. The last way I'd ever try to find my true love is with a one night stand. But that night of the party, I wasn't looking for my soulmate. I just wanted to do something wild and crazy. So I did. When a hot guy with dark hair, brooding eyes, and a chiseled face made eye contact with me across a crowded room, I held his stare and waited for him to come over. Before even asking my name, he kissed me. I kissed him back. And then, without giving it a second thought, I followed him to a room and had my first ever one-night stand. The next morning, I took off. It was only supposed to be one night. Nothing more. But I couldn't stop thinking about him. Even months later, when I was dating someone else, I was still thinking about that mysterious stranger and the night we shared. Then I found out he's not a stranger. He's the friend of my roommate's boyfriend and has been looking for me all summer. I can't let him find me. We were never supposed to see each other again. I'll admit it was a magical night. One I'll never forget. There were sparks, fireworks, and this unexplained feeling that we belong together. But soulmates aren't found with a one-night stand. They're found with handwritten love notes. Flowers. A first kiss under the moonlight. A one night stand is the worst love story ever. But what if it's mine?

The epic love story of Pearce and Rachel continues in book 2 of The Kensingtons. When Pearce met Rachel, he knew she was the only woman for him. He wanted her, needed her, and now he finally has her. But for how long? He was never supposed to be with her. He didn't follow their rules and now he must pay for what he's done. With his punishment looming, his relationship with Rachel moves forward. They're looking at houses, talking about having a baby, living a normal life. The life Pearce always wanted. But he worries it won't last. He's concerned about Rachel's safety, and fears what will happen if she ever learns the truth. Can he continue to keep the dark side of his life a secret from her? And if he can't, would she forgive him for what he's done? Their love story continues, but now it's become much more complicated.

Can an unconventional liaison turn into the love match of the season? After the scandalous duel that made her a widow, Alberta Brown was left destitute--and in possession of a cache of ill-gotten goods. Determined to right the wrongs of her thieving husband, she sailed to England to locate the owner of a gentleman's ring bearing an intriguing coat of arms. But a series of mishaps on-board soon convinced Allie that she was emeshed in a perilous game. Yet none was more dangerous--or irresistibly tempting--than the dashing stranger waiting on the dock. The marriage-minded Lord Robert Jamison was searching for a woman who aroused that certain something. He never expected to find her in this uncommonly pretty, fiercely independent American he'd been asked to escort back to a splendid country estate. Allie was in grave danger--worse, she vowed never to marry again. Yet Lord Robert's will was just as strong--and he planned to make this maddening creature his wife, even as passion drove them into each other's arms...and a reckless liaison flamed into the season's most indiscreet and irresistible affair of the heart. From the Paperback edition.

"Fans of R.J. Palacio's Wonder will appreciate this feel-good story of friendship and unconventional smarts." --Kirkus Reviews Ally has been smart enough to fool a lot of smart people. Every time she lands in a new school, she is able to hide her inability to read by creating clever yet disruptive distractions. She is afraid to ask for help; after all, how can you cure dumb? However, her newest teacher Mr. Daniels sees the bright, creative kid underneath the trouble maker. With his help, Ally learns not to be so hard on herself and that dyslexia is nothing to be ashamed of. As her confidence grows, Ally feels free to be herself and the world starts opening up with possibilities. She discovers that there's a lot more to her--and to everyone--than a label, and that great minds don't always think alike. The author of the beloved One for the Murphys gives readers an emotionally-charged, uplifting novel that will speak to anyone who's ever thought there was something wrong with them because they didn't fit in. This paperback edition includes The Sketchbook of Impossible Things and discussion questions. A New York Times Bestseller! * "Unforgettable and uplifting."--School Library Connection, starred review * "Offering hope to those who struggle academically and demonstrating that a disability does not equal stupidity, this is as unique as its heroine."--Booklist, starred review * "Mullaly Hunt again paints a nuanced portrayal of a sensitive, smart girl struggling with circumstances beyond her control." --School Library Journal, starred review

Pearce Kensington. Age 25. Billionaire. Graduate of the Ivy League. Future CEO. Member of a powerful secret society. His life is complicated. Dark. Lonely. Dangerous. So when he meets Rachel, a kind, sweet, beautiful grad student, he tells himself to stay away. He's no good for her. And yet, she's good for him. A ray of light in his very dark world. She's everything he's ever wanted but didn't think he could have. But being with her will bring her into his world. A world she doesn't belong in. A world he wants to escape. A world he'll have to hide from her in order to keep her safe. He should let her go. But he can't. He loves her. He needs her. So he'll risk everything to be with her.

Archaeologist Dr. Michael Stone looked for the lost medallion his entire life, and now his son Billy has taken up the search. Amazingly, the medallion ends up in Billy's hands and a spontaneous wish in a precarious situation takes Billy and his best friend Allie, back 200 years to what they realize is a very different Aumakua Island. When Billy and his friends are not jumping off waterfalls, avoiding animal traps, crossing the ocean, sneaking through caves or escaping a prison they're facing their nemesis Cobra, who wants nothing more than for them all to disappear. With no other way to get home, and the well being of the entire island resting on his shoulders, Billy must discover the key to reclaiming the medallion and its tremendous power. One way or another, this adventure will change Billy, and life on the island, forever. Best-selling author and film director Alex Kendrick (The Love Dare, Courageous) and Youth for Christ veteran Bill Muir bring us this exciting novelization of The Lost Medallion movie.

When everything they've built is threatened, only their bond remains.1925 New York Psychometric Rory Brodigan's life hasn't been the same since the day he met Arthur Kenzie. Arthur's continued quest to contain supernatural relics that pose a threat to the world has captured Rory's imagination--and his heart. But Arthur's upper-class upbringing still leaves Rory worried that he'll never measure up, especially when Arthur's aristocratic ex arrives in New York. For Arthur, there's only Rory. But keeping the man he's fallen for safe is another matter altogether. When a group of ruthless paranormals throw the city into chaos, the two men's strained relationship leaves Rory vulnerable to a monster from Arthur's past. With dark forces determined to tear them apart, Rory and Arthur will have to draw on every last bit of magic up their sleeves. And in the end, it's the connection they've formed without magic that will be tested like never before. This book is approximately 85,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise! Magic in Manhattan: Book 1: Spellbound Book 2: Starcrossed Book 3: Wonderstruck

Allison Beckstrom has willingly paid the price of pain to use magic, and has obeyed the rules of the Authority, the clandestine organization that makes-and enforces-all magic policy. But when the Authority's new boss, Bartholomew Wray, refuses to believe that the sudden rash of deaths in Portland might be caused by magic, Allie must choose to follow the Authority's rules, or turn against the very people for whom she's risked her life. To stop the plague of dark magic spreading through the city, all that she values will be on the line: her magic, her memories, her life. Now, as dead magic users rise to feed upon the innocent and the people closest to her begin to fall, Allie is about to run out of options.
