Hi! I'm Lauren and lately I've discovered something strange about my cat Saturn. Something very strange indeed . . . And this time it wasn't just me, but also my best friend Tilly who magically travelled back in time with him. Imagine our surprise to find ourselves in Ancient Rome, where no one spoke our language - and they wanted to sell us as slaves! But that wasn't the scariest bit. Because when the tremors started, and the smoke appeared, we knew our adventure was about to explode . . .

Tween readers will love following the adventures of Mackenzie "Zee" Blue. California girl Zee is an expert shopper, plays the guitar and writes songs, and makes purses and jewelry. She knows how it feels to have a huge crush. And she knows how to be a good friend and keeps in touch via texts and emails. Tween fans of the Dork Diaries and Diary of a Wimpy Kid series will love the Mackenzie Blue books. This collection includes books 1 through 5. Mackenzie Blue: Meet Mackenzie Blue, aka Zee. She has it all—smarts, talent, humor, and style. Is it enough to survive middle school? Countdown to a 7th Grade Meltdown. . . Mackenzie Blue #2: The Secret Crush: Mackenzie Blue has a crush! But how can she get Landon—the cutest boy in school—to notice her? The class's new rock-and-roll musical is her chance. Between her crush, the musical, and her friends—not to mention school work—Zee is torn in a thousand different directions. With all the real-life drama going on, will she lose sight of what's really important? Mackenzie Blue #3: Friends Forever?: Zee and the rest of her class from the Brookdale Academy are off on a camping trip to compete in an environmental scavenger hunt. Zee is extra psyched because her best friend, Ally, is visiting from Paris. It should be fabulous having all her friends in one place, but for some reason everyone is fighting! Mackenzie Blue #4: Mixed Messages: Zee and her friends from Brookdale Academy launch Bluetopia, a fab social media site—which is perfect, because Zee's band, The Beans, is about to have its biggest show ever. Everyone is talking about it on Bluetopia. At least it would be perfect if a glitch in the Bluetopia system didn't threaten to ruin the show—and Zee's life! Mackenzie Blue #5: Double Trouble: Mackenzie Blue is a star! Or she will be . . . as soon as she gets the part of an aspiring singer on a new TV pilot! But juggling auditions and the rest of her life turns out to be harder than Zee thought. Zee's friends are helping her hold everything together. But Zee doesn't like having to bail on plans—and her friends—to run to another audition. Is being a star worth it?

Blackouts, gas masks and rationing - the truest friendships are made in the hardest times . . . Hi, this is Lauren again! My special cat, Saturn, has quite a skill for travelling far, far away, and I don't mean in distance. My best friend, Tilly, and I were ready for our next mystery tour adventure . . . This time we landed in London in 1939 as the first bombs of the Second World War were about to drop. Luckily we met a new friend, Violet, just in time to catch the evacuation train into the countryside. But there we were going to face all sorts of war-time challenges . . . Judi Curtin was born in London and grew up in Cork. She now lives in Limerick with her family. She has three children and a cat called Domino. Domino does not have any superpowers - as far as Judi knows. In her spare time, Judi likes to read, play Scrabble and grow tomatoes. She is Ireland's best-selling fiction author for 8-12 girls with her Alice & Megan series. www.judicurtin.com

Meet Mackenzie Blue, aka Zee She has it all—smarts, talent, humor, and style. . . . Is it enough to survive middle school? Countdown to a 7th Grade Meltdown 1. Your BFF moves away. 2. But, alongside their crafty clue-hunting, there's also the small matter of a school camping trip in the big outdoors. The sparkling finale to the much-loved contemporary detective series for fans of Robin Stevens and Katherine Woodfine. This book is GLEE for 9+ and is perfect for fans of BALLET SHOES and MALLORY TOWERS.

Can true friendship survive the test of time? It all started when Lauren got a cat. No ordinary cat! Saturn has long white hair, eyes that don't match and... it seems...strange powers. One minute she's cuddling Saturn, the next thing she knows she's not just miles, but YEARS away from home. It's 1912, she ends up on board a ship - and THEN she discovers it's the Titanic! It was like some crazy dream, except the new friends she made were real . . .

More than 100 stories after meeting Logan, Mary Anne is ready for a change. And she's about to find out that breaking up is hard to do. Martin's classic series is going in a new direction with a new look and new focus on the four characters who started it all.

A full-color comic reader based on LEGO(R) Friends--a buildable play world for girls! It's the start of a new school year, and the friends are all signing up for new activities! Andrea joins the chorus, and Stephanie makes the soccer team. But when Andrea's first concert is the same night as Stephanie's big game, Olivia, Emma, and Mia are torn between which event to go to. Can they figure out a way to cheer on both of their friends?

Welcome to the world of thinking-on-the-feet parenting. A world where questions are answered and answers are questioned, where one day segues into another without a warning sign, and where intense exhaustion co-exists with blissful happiness—the true signs of parenting. *Double Trouble, Double Fun* is Riti Prasad's hilarious, realistic, and tell-all chronicle of raising twins during their early childhood. She delivers an irreverent insider's account of parenting through a decade that has seen the best and the worst of parenting theories, the boom of internet moms, the battle between working and stay-at-home moms, as well as other parenting after-shocks. In her thought-provoking memoir, she questions accepted parenting norms and expectations, struggles to come to terms with the ever-expanding scope of motherhood, and races against time to fulfil them. Sifting through memories of her parenting tactics and theories, Riti delivers a power-packed punch of a book that negotiates through challenges of pregnancy and parenting, pearls of wisdom, nuggets of humour, screams of frustration, sighs of exasperation, and tears of joy and disappointment in equal measures. Written through the lens of a career-invested, borderline-workaholic, and delegation-savvy mom, this book shares a parenting journey navigating through poopy diapers, potty training, balanced diets, tiring holidays, PTA meetings, and workplace triumphs and disappointments.
