What to Say for the Sermon at an Unbeliever's Funeral. My theology tells me that it is not right to lie, even if my intended purpose is to bring about a good outcome. We are not to “ do evil that good may come ” (Romans 3:8). Lying is a violation of God's character and will. God is the God of truth.

Keep Christianity Strange. As the culture changes all around us, it is no longer possible to pretend that we are a Moral Majority. That may be bad news for America, but it can be good news for the church. What's needed now, in shifting times, is neither a doubling-down on the status quo nor a pullback into isolation. Instead, we need a church that speaks to social and political issues with a bigger vision in mind: that of the gospel of Jesus Christ. As Christianity seems increasingly strange, and even subversive, to our culture, we have the opportunity to reclaim the freakishness of the gospel, which is what gives it its power in the first place. seek the kingdom of God, before everything else. We connect that kingdom agenda to the culture around us, both by speaking it to the world and by showing it in our churches. As we do so, we remember our mission to oppose demons, not to demonize opponents. As we advocate for human dignity, for religious liberty, for family stability, let's do so as those with a prophetic word that turns everything upside down. The signs of the times tell us we are in for days our parents and grandparents never knew. But that's no call for panic or surrender or outrage. Jesus is alive. Let's act like it. Let's follow him, onward to the future.

Father Bill Bausch's homilies are always outstanding. He brings a deep pastoral presence and much thought and preparation to each of them. This has never been more evident than here in this book of funeral homilies. Each is crafted to reflect the person remembered as well as the message of Scripture. Each reflects the communal nature of a Catholic funeral and is sensitive to the status of the mourners: non-Catholics, lapsed Catholics, faithful parishioners, relatives, and friends. Father Bill's words are faith-filled and compassionate, comforting and challenging, communal and personal. He regards the funeral liturgy as one of the greatest teachable moments the Church offers and here this is very evident. Highly recommended for all priests, deacons, and preachers. Book jacket.

The main purpose of this booklet is twofold: to help Humanists who are thinking of becoming officiants on a regular basis; and to help families and friends who are faced with the need to organize a ceremony themselves at short notice. A third group who may find parts of it useful are funeral directors coping with funerals where there is no officiant and the family has no wish to play an active role. The booklet aims to set out clearly the basic format of a Humanist ceremony, to suggest possible readings and turns of phrase, and to state simply the various practical measures that need to be taken. In short, it is a straightforward working manual. Readers'

Comments:[It was] the first funeral I had attended where I felt comfortable, and comforted by the words spoken. . . it gave me a sense of great peace.To hear others publicly proclaim their love, respect and admiration for my husband made the funeral an uplifting experience. Afterwards so many who had attended told me that it was the most interesting, most moving, most relevant and best funeral that they had ever been to. Their remarks gave me a great deal of comfort and I knew that I had treated my husband's atheism with the respect and dignity that it deserved.A large number of those present, from a wide range of beliefs and backgrounds, later expressed what we can only call enthusiasm for an experience that was new to them, and in many cases compared very favourable with the often awkward and impersonal alternatives with which they were familiar.Bearing in mind that this is a form of ceremony which has not yet gained wide acceptance, we consider ourselves fortunate . . . to have received such expert and personal attention.

In this well-researched work, Dr Albín Masarik explores various features of funeral sermons arising from their unique context and homiletic process. While funeral sermons are an important element in pastoral care of churches and the wider community, theological reflection of this weighty responsibility can be hard to find. Addressing the definition of a funeral sermon, their categorization, purpose and context, this book brings clarity to inform the exercise of preaching a funeral sermon and help pastors and theologians grapple with how to best shepherd their flock and exalt our Saviour in the midst of bereavement.

This collection lovingly pulls together some of John's most widely-read and most beloved essays on faith, politics, grief, and the elemental parts of being human. It is an encouraging, inspiring, challenging storehouse of "stuff that needs to be said."

An examination of instances, experiences, and spaces of early modern privacy. It opens new avenues to understanding the structures and dynamics that shape early modern societies through examination of a wide array of sources, discourses, practices, and spatial programmes.
