"It is possible to have the job of your dreams. Together we are going to set about getting you there. Before I joined the BBC's Dragons' Den, I spent thirty years setting up and running recruitment companies, placing hundreds of thousands of candidates in the jobs they really wanted. I will take you through the process step by step. How to stay positive in a difficult economic climate and find the right opportunities. How to package yourself to make sure you secure an interview. The vital importance of preparation, so that you are relaxed and give a great performance at interview. How to show your passion, and ask the perfect questions. And finally, how to use your power by closing the best deal on a job offer. At every stage I will help you rethink the traditional, formulaic approach to job hunting. It's the detail that makes the difference. This book is not about hoping you get lucky. It is about creating your own luck." James Caan

Successful job seekers have two major skills their competitors don't: the psychological endurance to approach job opportunities fearlessly, and the ability to adapt to a variety of situations to position themselves as each interviewer's dream candidate. Fearless Job Hunting offers these powerful psychological techniques drawn from cognitive behavioral therapy and reveals the strategies decision makers in top corporations use to find and hire exceptional employees. This book shows you how to:  Silence unproductive anxieties and self-limiting beliefs  Develop the motivation and stamina to stay positive while job seeking  Pressure-proof yourself by building confidence and cool-headedness  Get the edge in interviews by honing your communication skills This book has received the prestigious accolade of being included in The Albert Ellis Tribute Book Series—created to honor the life and work of Albert Ellis, the founder of rational emotive behavioral therapy (REBT). REBT is one of the most widely-practiced therapies throughout the world and is the foundation for cognitive-behavioral therapy and other evidence-based approaches. These books provide proven-effective treatments and tools to improve psychological well-being, while also supporting advancements in psychotherapy for the betterment of humanity.

An easy-to-follow, nine-step process for how to land your dream job and cut through the noise of job-searching in the 21st century. Banging your head against the wall about the job search? Wondering why nobody's even bothering to send you a rejection letter (much less an interview request)? You are not alone. This process is a beast, but there's good news: [#EntryLevelBoss](#) is the book for you. This is an easy-to-follow roadmap for transforming yourself from frustrated job seeker into hired, happy, productive human. One part behind-the-scenes memoir, one part playbook, [#EntryLevelBoss](#) lays out career coach Alexa Shoen's proven 9-step methodology for approaching the job search during these crazy times we're living through. Think of it like a fitness plan—except instead of killer abs, you wind up with multiple interviews for a bunch of jobs you actually want. Cool, right? This is not another manifesto about finding your passion. (I mean, yes, let's find your passion, sure, but the rent is also due and I would assume you're interested in getting paid.) This is a real plan that's based on the real rules of the game. You'll learn how to effectively identify your future hiring manager, for example, and slide into their DMs in the least creepy way possible. Alexa Shoen is the internet's leading confidant for panicking job seekers. She has guided thousands of people into full-time employment using these exact steps. Even if you're convinced you're the least hireable person on the planet, Alexa's got you covered.
