I have the Safeseat and a Peg P3. But I think that's a bit over the \$150! Heck, the Safeseat alone is \$120-\$150 depending on the pattern. I haven't had a Graco stroller in years...but I'm not impressed w/my friends. I don't think you are going to find a 'system' w/the Safeseat and stay under the \$150 range.

Graco - How to Check Expiration Date on your Infant Car Seat

While infant car seats are typically made for children under the age of 1, Graco offers several options that can adjust to fit older toddlers and kids as well. Some Graco models work with a base, which is installed in the car and allows you to carry baby inside without removing them from the car seat.

Graco SnugRide Classic Connect Infant Car Seat Base ...

Since Graco doesn't seem to make bases specific to every car seat it was a pain to figure out which base worked with the SafeSeat model. I think this is a HUGE oversight on Graco's part. Car seats should NEVER be difficult to use. This base DOES NOT have a level on it for correctly securing it to the vehicle, as another reviewer has mentioned.

Carrie Friedman shares her daily struggles with what she calls her "pre-partum depression"—from baby lust to panic, and everything in between. Fending off the "dreaded question" from everyone, including her yoga teacher, and navigating the minefield of toddler birthday parties, as well as creating her own faux baby registry under an assumed name, Carrie Friedman captures the process of deciding to have a baby with humor and smarts. If you're looking for refuge from prying questions, pet substitution, and the call of your biological clock, this book is a hilarious diversion."

unexpected challenges with the arrival of a new baby, the parents of twins face their own unique sets of joys and frustrations. As the parent of three children under the age of six, including three-year-old fraternal twins, Dagmara Scalise knows firsthand just how daunting that all-important first year can be. Now, in *Twin Sense*, she offers real-world advice on dealing with the many issues that arise when caring for newborn twins. Concise and easy to follow, this book shows harried parents everything they need to know, including: baby-proofing □ stocking up on what they really need □ preparing and involving previous children □ breast-feeding two babies at once □ making errands possible □ getting through the night □ bathing the babies □ traveling with twins □ keeping the peace □ responding to probing
