A cordial goodbye to you. For example, Thanks for the order, have a nice day, or See you next week-have a good day, or The car's ready for you-have a good one. These expressions have become synonymous with a polite farewell. The first originated about 1920 but, like the variants, became widespread only after 1950.

Have a Nice Day is an animated film about a young man named Xiao Zhang (Changlong Zhu) steals a bag containing a million yen in order to pay to fix his fiancée's botched plastic surgery. Unfortunately for him, the bag belongs to local mobster, Liu Shu (Siming Yang), who, of course, sends some of his people after Xiao Zhang to retrieve the bag.

Anna Bloom has just come home from a three-week stay in a mental hospital. She feels...okay. It's time to get back to some sort of normal life, whatever that means. She has to go back to school, where teachers and friends are dying to know what happened to her, but are too afraid to ask. And Anna is dying to know what's going on back at the hospital with her crush, Justin, but is too afraid to ask. Meanwhile, Anna's parents aren't getting along, and she wonders if she's the cause of her family's troubles.

Anna Bloom is depressed -- so depressed that her parents have committed her to a mental hospital with a bunch of other messed-up teens. Here she meets a roommate with a secret (and a plastic baby), a doctor who focuses way too much on her weight, and a cute, shy boy who just might like her. But wait! Being trapped in a loony bin isn't supposed to be about making friends, losing weight, and having a crush, is it? Get Well Soon, Julie Halpern's fiction debut, finds humor in the unlikeliest of places, and presents a character whose voice -- and heart -- will resonate with all of us who have ever felt just a little bit crazy.

Violet's in her element - cosplay at the ready, she can't wait to feel part of her favourite fandom: 'The Gallows Dance', a mega book and movie franchise. But when a freak accident transports her into the story for real, can Violet play out the plot the way it was written?

A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly's little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven's best friend, Dustin, is madly (and one-sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage

life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia "Count" Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn't, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at all. Dazzlingly opulent and emotionally riveting, *Anna K: A Love Story* is a brilliant reimagining of Leo Tolstoy's timeless love story, *Anna Karenina*—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak.

Anna is less than thrilled to be shipped off to boarding school in Paris, leaving a fledgling romance behind – until she meets Étienne St. Clair. Smart, charming, beautiful, Étienne has it all...including a girlfriend. But in the City of Light, wishes have a way of coming true. Will a year of romantic near-misses end with a longed-for French kiss? "Magical...really captures the feeling of being in love" - Cassandra Clare, author of *The Mortal Instruments* series NPR's Year's Best Teen Reads, 2010. NPR's 100 Best-Ever Teen Novels, Number 53. Cybils Award Finalist for Young Adult Fiction, 2011. YALSA's Best Fiction for Young Adults. 2012 list YALSA's Popular Paperbacks for Young Adults: *Forbidden Romance*, 2012. TAYSHAS Reading List, 2012. Georgia Peach Book Award for Teen Readers, Honor, 2012-13.

INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB PICK A BELLETRIST BOOK CLUB PICK "A masterpiece." - R.O. Kwon *The Crucible* meets *True Grit* in this riveting adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all. Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

"Sparkles with beauty, intrigue, and romance."—Kiera Cass, #1 New York Times bestselling author of the *Selection* series *Selah* has waited her whole life for a happily ever after. As the only daughter of the leader of Potomac, she knows her duty is to find the perfect match. But after an excruciatingly public rejection, *Selah's* stepmother suggests an unthinkable solution: *Selah* must set sail across

the Atlantic to visit a series of potential suitors—and if she doesn't come home engaged, she shouldn't come home at all. From the gardens of England to the fjords of Norge, Selah's quest will be the journey of a lifetime. But her stepmother's schemes aren't the only secrets hiding belowdecks...and the stakes of her voyage may be higher than any happy ending. Lush landscapes, dazzling romance, and captivating intrigue await in this stunning alternate historical YA debut—perfect for fans of *The Selection* or *Caraval*.

Four sisters desperately seeking the blueprints to life—the modern-day retelling of Louisa May Alcott's *Little Women* like only Anna Todd (*After*, *Imagines*) could do. The Spring Girls—Meg, Jo, Beth, and Amy—are a force of nature on the New Orleans military base where they live. As different as they are, with their father on tour in Iraq and their mother hiding something, their fears are very much the same. Struggling to build lives they can be proud of and that will lift them out of their humble station in life, one year will determine all that their futures can become. The oldest, Meg, will be an officer's wife and enter military society like so many of the women she admires. If her passion—and her reputation—don't derail her. Beth, the workhorse of the family, is afraid to leave the house, is afraid she'll never figure out who she really is. Jo just wants out. Wishing she could skip to graduation, she dreams of a life in New York City and a career in journalism where she can impact the world. Nothing can stop her—not even love. And Amy, the youngest, is watching all her sisters, learning from how they handle themselves. For better or worse. With plenty of sass, romance, and drama, *The Spring Girls* revisits Louisa May Alcott's classic *Little Women*, and brings its themes of love, war, class, adolescence, and family into the language of the twenty-first century.

The sequel to *Anna K*, set over the course of the next summer, as the characters come to terms with Vronsky's tragic death. How the mighty have fallen. Anna K, once the golden girl of Greenwich, CT, and New York City, has been brought low by a scandalous sex tape and the tragic death of her first love, Alexia Vronsky. At the beginning of the summer, her father takes her to the other side of the world, to connect with his family in South Korea and hide her away. Is Anna in exile? Or could this be her chance to figure out who she really is? Back in the U.S., Lolly has forgiven Steven for cheating on her, and their relationship feels stronger than ever. But when Lolly meets a boy at her beloved theater camp, she has to ask herself how well Steven will ever really know her. Meanwhile, in Manhattan, everything between Kimmie and her new boyfriend, Dustin, is easy—except when it comes to finally having sex. And Bea escapes to LA, running away from her grief at her beloved cousin's death, until a beautiful stranger steals her heart. Is Bea ready to finally forgive Anna, and let herself truly fall in love for the very first time? Set over the course of one unforgettable summer, Jenny Lee's *Anna K Away* is full of the risk, joy, heartbreak, and adventure that mark the three months between the end of one school year and the beginning of the next.
