The World  
melting pot filled with people from all over the world. Their native language, the foods they eat, and their customs are just some of the issues addressed in this book. Maps that show the different parts of the world where their ancestors came from are an added feature.

Features intricately detailed, bas-relief collage spreads of dwellings in other world regions and historical times to explain how different people live and have lived--from a village house in South Africa that tells the story of its family to a floating green house in the Netherlands. 20,000 first printing.

Simple text and photographs present families from many cultures.

How do you get to school or travel

# Access Free Homes In Many Cultures Life Around

around a big city? If you lived in a different country, the way you travel could be completely different! Kids in Cambodia ride in paddle boats to get to floating schools on the water. People in Australia often ride a monorail around crowded cities. Take a tour around the world, and see how people get from here to there.

Describes how children all over the world celebrate their birthdays.

Photographs show the homes and possessions of average families in thirty countries around the world and document each family's lifestyle

"Simple text and photographs present Christmas in many cultures"--Provided by publisher.
