The Honda C92 Benly is a 125 cc (7.6 cu in) parallel-twin motorcycle made by Honda from 1959 through 1965. Running concurrently were the CB92 Sports and the slightly larger C95 150 cc (9.2 cu in), called the CA92 and CA95 in the US. These twins took their styling and design cues from the larger- displacement Honda C71, C76, C72, C77 Dream series.
