If animals could talk like us and tell us how they felt, would we then treat them differently? We do so many negative things to animals and assume that they think and feel the way we say they think and feel. We are willing to run tests on them and kill them in cold blood. Many would ask "How can you kill an animal in cold blood?"

Imagine you have the power of Dr. Dolittle and you can talk to animals. How great would that be? Or would it? What if you've mistreated your pet and now he wants to get back to you by saying mean things to you? What if you didn't help him beat the heat?! Take a look at this humoristic representation of what would happen if your pet could talk.
