[Life in the Fast Lane](#) By: [Jim Burton](#) Author [Jim Burton](#) has lived his life in the fast lane. This book is a few entertaining and humorous short stories from his life. He was recruited by the mafia and worked with them for years. He became one of the largest art dealers in the country. He made millions on insider trading and lost it all on [Black Tuesday](#). While he was in the business, [Burton](#) became friends with [John Gotti](#). He did foreign currency deals with stolen money from the Vatican. In Argentina, the [Feds](#) put him in an underground prison and took 12 million dollars for his release. He became one of the largest cocaine dealers on [Long Island](#) for ten years and never got caught due to family ties. The law set him up and planted things to put [Burton](#) away. He was put in jail for years without a break or trial and he still beat them. Only the law can break the law.

In 1972, one of America's most beloved theme parks swung open its gates for the first time. [Kings Island](#) was the latest in the post-Disneyland boom, and it was big, beautiful, and instantly successful. Who could forget their first sight of the magnificent [Eiffel Tower](#) after passing through the turnstiles? Or the colorful flags flying proudly over the [Royal Fountain](#)? Now nearly fifty years later, the park is as amazing and grand as ever. Read the story behind this magical playground and how it has changed over time. Filled with personal recollections of park officials who were there, [Kings Island: A Ride Through Time](#) offers a first-hand account that is as fascinating as the attractions we've loved all our lives.

[Cincinnati Magazine](#) taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Published by the [Boy Scouts of America](#) for all [BSA](#) registered adult volunteers and professionals, [Scouting magazine](#) offers editorial content that is a mixture of information, instruction, and inspiration, designed to strengthen readers' abilities to better perform their leadership roles in [Scouting](#) and also to assist them as parents in strengthening families.

[Meandering Melodies](#) will take you back to the 60's, 70's, and 80's and share what it was like to be a part of a neighborhood in [Carroll County](#) located in [Delphi, Indiana](#), that had lots of children, a simple way of life, what we did for fun and what it was like to be part of a " Plain People " growing up among other " Plain People. " [Meandering Melodies](#) will also share what life is like among the " Plain People " today in 2013 in [Carroll County](#).Expect to be delighted, thrilled, and encouraged as we not only take a walk down memory lane together but also explore living life " out of the fast lane " in today's world. Experiences that will at times make you laugh and cry as we learn together how simple joys of yesterday and simple joys of today can create a symphony that lasts a lifetime! Most of us can remember a time when life was not so busy. A simpler time when we enjoyed a visit with a neighbor or a walk in the park. . . A time when we had no concern about being a certain place at a certain time doing certain things... A time when fast food was not really all that fast and the computer age had barely begun. . . A time when life was busy but did not seem hectic or fast-paced. . . Sometimes we even look back with nostalgic longing and wish to return to times like this. Times when we'd like to get " out of the fast lane. " Today finds many people living life in the fast lane where life is in constant motion and meticulous plans are made to ensure their success in the modern world. There is always some place to go and people to meet. Yet they are intrigued by certain lifestyles and fascinated by those who seem to manage living a simple life " out of the fast lane. " In the past few years many books have been written and movies made showcasing the Amish, Mennonites, and other Plain People and their simple lifestyles.People wonder about the differences. People wonder what their lifestyle is really like. People wonder what it is like to be a part of a plain church and plain people. They have all sorts of questions about what it is like not to have cars, or telephones, or electricity. They wonder why they dress the way they do and do the things they do. They wonder how people can live like this?! It seems to them that life is lived " out of the fast lane " among Plain People. Or is this only an illusion? I grew up among Plain People on a farm in [Carroll County](#) nestled between two hills. Bachelor Run flowed merrily through our farm forming the southern boundary of our property. Folks called the road at the top of the south hill the [Crooked Road](#). It went straight for several miles out of [Delphi](#), then made a sharp curve, and after several more curves, you ended up in [Flora](#). Our house was in the valley below this first curve. This first curve was a notorious place for wrecks; which I shall write more about later!My Dad built our house against the bank of the north hill. At the very top of the north hill was a very old cemetery called the [Nettle Cemetery](#). I don't recall anyone ever being buried there. I also don't recall ever playing there. I do remember mowing the grass along the fence that separated our property. One of my favorite spots, my very own idyllic hide-a-way, was close to this fence. I went there often to think and write and lay in the grass on beautiful summer days.Most of our neighbors were members of what we called the [Horse-and-Buggy Church](#). Their official name was [Old Brethren German Baptist](#). They used to be a part of our fellowship before they split off from the [Old German Baptist Brethren](#) in 1921 as a result of differences about cars, electricity, and telephones.When was the last time you experienced life " out of the fast lane? "
