The Greatcoats have found the heir to the throne...but now they must keep her alive, against all the odds. Falcio Val Mond has completed the final task given to him by the late King Paelis: he has found the King's Charoites (well, one at least). But his task isn't over, and now he, Kest

'One hell of a good book' Conn Iggulden The Greatcoats have found the heir to the throne . . . but now they must keep her alive, against all the odds. Falcio Val Mond has completed the final task given to him by the late King Paelis: he has found the King's Charoites (well, one at least). But his task isn't over, and now he, Kest and Brasti must protect the girl from those her want her dead. That would be simple enough, if it weren't for the renegade Knights and legendary Dashini assassins, getting in their way, not to mention the Dukes, who are desperate to hold on to their power at any cost, or Trin, the merciless daughter of the ruthless Duke of Rijou and the cruel Duchess of Hervor, who is determined to be Queen of Tristia. Of course, the fact that the heir to the throne is thirteen years old doesn't help, nor the fact that every day brings Falcio closer to dying from the poison running through his veins. And then there is the Greatcoats Lament . . .

'High energy, highly unique, swashbuckling-cop-epic-noir story. Buy it. BUY IT NOW' Sam Sykes The Greatcoats are back - and this time it's personal. How do you kill a Saint? Falcio, Brasti and Kest are about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquisitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

'One hell of a good book' - Conn Iggulden The Greatcoats - legendary heroes, arbiters of justice . . . or notorious traitors? The Greatcoats are travelling magistrates bringing justice to all . . . or at least they were, before they watched the Dukes impale their King's head on a spike. Now the land's heroes are reviled as traitors, their Greatcoats in tatters. Facio, Kest and Brasti have been reduced to working as mercenaries, but when they find their employer dead - and are forced to watch as the killer plants evidence framing them for the murder - they realise things are about to get even worse. For the royal conspiracy that began with overthrowing an idealistic young king is spreading to Rijou, the most corrupt city in the land, and the life of a young girl hangs in the balance. When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade.

'First-rate fiction, first rate adventure, first rate full stop' - Sunday Times bestseller Conn Iggulden. Would you - could you? - uphold the law at the cost of those you love? Falcio val Mond, First Cantor of the Greatcoats, is on the brink of fulfilling his dead King's dream: Aline is about to take the throne and restore the rule of law once and for all. But for the Greatcoats, nothing is ever that simple. In neighbouring Avares, an enigmatic new warlord is uniting the barbarian armies and even worse, he is rumoured to have a new ally: Falcio's old nemesis Trin. With the armies of Avares at her back, she'll be unstoppable. Falcio, Kest and Brasti go racing north to stop her, but in those cold, treacherous climes they discover something altogether different - and far more dangerous: a new player plans to take the throne of Tristia, and the Greatcoats, for all their determination and skill, may not be able to stop him.

Swordplay, magic, intrigue and friendships stronger than iron: the first book in a new swashbuckling fantasy series by the bestselling author of The Greatcoats. Damelas Shademantaigne picked a poor night to flee a judicial duel. He has precious little hope of escaping the wrath of Vixen, the most feared duelist in the entire city, until he stumbles through the stage doors of the magnificent Operato Belleza and tricks his way into the company of actors. An archaic law provides temporary respite from his troubles--until one night a ghostly voice in his head causes Damelas to fumble his lines, inadvertently blurring out the dreadful truth: the city's most legendary hero may actually be a traitor and a brutal murderer. With only the help of his boisterous and lusty friend Bereto, a beautiful assassin whose target may well be Damelas himself, and a company of misfit actor who'd just as soon see him dead, this failed son of two Greatcoats must somehow find the courage within himself to dig up long-buried truths before a ruthless band of bravos known as the Iron Orchids comes for his head. Oh, and there's the that matter of the Vixen waiting to duel him...

"You've stumbled on to something much larger than you can possibly imagine." In the dead of night, a cloaked figure drags a heavy box through snow-covered streets. The chest, covered in images of mythical beasts, can only be opened when the fangs of its serpent's-head clasp taste blood. Centuries later, in an Oxford library, a boy touches a strange book and feels something pierce his finger. The volume is blank, wordless, but its paper has fine veins running through it and seems to quiver, as if it's alive. Words begin to appear on the page--words no one but the boy can see. And so unfolds a timeless secret . . .

A failed mage turned outlaw must use guile and a handful of spells to challenge a dangerous rival in the second book of an exciting adventure fantasy series from Sebastien de Castell. Forced to live as an outlaw, Kellen relies on his wits and his allies to survive the unforgiving borderlands. When he meets a young woman cursed with a deadly plague, he feels compelled to help. But her secrets draw powerful enemies and it's not long before Kellen is entangled in a conspiracy of blackmail, magic, and murder. As the bodies begin to pile up, Kellen fears he's next. The second novel in a compelling six-book series, bursting with tricks, humor, and a whole new way to look at magic. Spellslinger SeriesSpellslingerShadowblackCharmcaster For more from Sebastien de Castell, check out: The Greatcoats QuartetTraitor's BladeSaint's BloodKnight's ShadowTyrant's Throne

Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of The Dark Tower, Firefly, Guardians of the Galaxy, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

"Kellen Argos is an outlaw spellslinger with a bad reputation, a long list of enemies, and zero luck. When he accidentally smears blood on the Daroman flag, he's dragged before the queen to be executed for his act of treason. Face-to-face with the young monarch, Kellen is offered a chance to save himself. If he can defeat the queen at a game of cards, he'll walk free... if not, his life is forfeit. But what begins as a game reveals a conspiracy against the queen's life. And now, Kellen is not only playing for his own freedom, but also for the future of an empire."--Amazon.com.

A failed mage learns that just because he's not the chosen one it doesn't mean he can't be a hero in final book of the Spellslinger series. Once an outlaw spellslinger, Kellen Argos has made a life for himself as the Daroman Queen's protector. A little magic and a handful of tricks are all it takes to deal with the constant threats to her reign. But when rumors of an empire-shattering war begin to stir, Kellen is asked to commit an unimaginable act to protect his queen. Inside enemy territory, he quickly realizes something is amiss. Someone is playing a dangerous game. And to discover their secrets, Kellen will have to challenge the greatest spellcaster who's ever lived. Kellen's misadventures concludes in Crownbreaker, the riveting finale to the adventure fantasy series that began with Spellslinger.
