~~Tantor Media | Levitate~~

Kaylee Ryan has done it again. I know there is a reason she is one of my favorite authors and Levitate just reconfirms my feelings. I love books with not a lot of drama and just a fun read, and Kaylee does that well. She can take characters and make them sweet, honest, and someone you would love to be friends with.

by Kaylee Ryan (338) \$3.99. There comes a point in your life where you have to say enough is enough. I wasted my college years on a guy who played with my head, played with my heart. I was blinded by the fairytale, the one that didn ' t exist. The day I gave up on the idea of happily ever after, my focus became me. ...
