Abraham Lincoln, who had been involved in more than three thousand cases--including more than twenty-five murder trials--during his two-decades-long career, was hired to defend him. This was to be his last great case as a lawyer. What normally would have been a local case took on momentous meaning. Lincoln's debates with Senator Stephen Douglas the previous fall had gained him a national following, transforming the little-known, self-taught lawyer into a respected politician. He was being urged to make a dark-horse run for the presidency in 1860. Taking this case involved great risk. His reputation was untarnished, but should he lose this trial, should Harrison be convicted of murder, the spotlight now focused so brightly on him might be dimmed. He had won his most recent murder trial with a daring and dramatic maneuver that had become a local legend, but another had ended with his client dangling from the end of a rope. The case posed painful personal challenges for Lincoln. The murder victim had trained for the law in his office, and Lincoln had been his friend and his mentor. His accused killer, the young man Lincoln would defend, was the son of a close friend and loyal supporter. And to win this trial he would have to form an unholy allegiance with a longtime enemy, a revivalist preacher he had twice run against for political office--and who had bitterly slandered Lincoln as an "infidel..too lacking in faith" to be elected. Lincoln's Last Trial captures the presidential hopeful's dramatic courtroom confrontations in vivid detail as he fights for his client--but also for his own blossoming political future. It is a moment in history that shines a light on our legal system, as in this case Lincoln fought a legal battle that remains incredibly relevant today.

Look for Dan Abrams and David Fisher's new book, *Kennedy's Avenger: Assassination, Conspiracy, and the Forgotten Trial of Jack Ruby*. *NOW A NEW YORK TIMES BESTSELLER* "An expert, extremely detailed account of John Adams' finest hour."--Kirkus Reviews Honoring the 250th Anniversary of the Boston Massacre The New York Times bestselling author of Lincoln's Last Trial and host of LivePD Dan Abrams and David Fisher tell the story of a trial that would change history. An eye-opening story of America on the edge of revolution. History remembers John Adams as a Founding Father and our country's second president. But in the tense years before the American Revolution, he was still just a lawyer, fighting for justice in one of the most explosive murder trials of the era--the Boston Massacre, where five civilians died from shots fired by British soldiers. Drawing on Adams's own words from the trial transcript, Dan Abrams and David Fisher transport readers to colonial Boston, a city reeling with rebellion, where British military forces and American colonists lived side by side, waiting for the spark that would start a war.

THE NEW YORK TIMES BESTSELLER 2020 Audie Finalist--History/Biography A Mental Floss Book to Read in Summer 2019 "Gripping... Theodore Roosevelt for the Defense is a must-read." --NPR A President on Trial. A Reputation at Stake. ABC News legal correspondent and host of LIVE PD Dan Abrams reveals the story of Teddy Roosevelt's last stand--an epic courtroom battle against corruption--in this thrilling follow-up to the New York Times bestseller Lincoln's Last Trial. "No more dramatic courtroom scene has ever been enacted," reported the Syracuse Herald on May 22, 1915 as it covered "the greatest libel suit in history," a battle fought between former President Theodore Roosevelt and the leader of the Republican party. Roosevelt , the bolsterous and mostly beloved legendary American hero, had accused his former friend and ally, now turned rival, William Barnes of political corruption. The furious Barnes responded by suing Roosevelt for an enormous sum that could have financially devastated him. The spectacle of Roosevelt defending himself in a lawsuit captured the imagination of the nation, and more than fifty newspapers sent reporters to cover the trial. Accounts from inside and outside the courtroom combined with excerpts from the trial transcript give us Roosevelt in his own words and serve as the heart of Theodore Roosevelt for the Defense. This was Roosevelt's final fight to defend his political legacy, and perhaps regain his fading stature. He spent more than a week on the witness stand, revealing hidden secrets of the American political system, and then endured a merciless cross-examination. Witnesses including a young Franklin D. Roosevelt and a host of well-known political leaders were questioned by two of the most brilliant attorneys in the country. Following the case through court transcripts, news reports, and other primary sources, Dan Abrams and David Fisher present a high-definition picture of the American legal system in a nation standing on the precipice of the Great War, with its former president fighting for the ideals he held dear.

At the end of the summer of 1859, twenty-two-year-old Peachy Quinn Harrison was accused of murder in Springfield, Illinois. The man hired to save his life was none other than self-taught lawyer Abraham Lincoln. But what would be Lincoln's last case before his presidency posed many personal challenges. The murder victim had been an apprentice in Lincoln's law office. The accused murderer was the son of a close friend and loyal supporter. To win the trial, Lincoln would have to form an unholy allegiance with a longtime enemy, a revivalist preacher he had twice run against for political office. And with the rise of newspapers, the nation was watching the presidential hopeful very, very closely. Based on actual court transcripts that include Lincoln's own words and adapted from Dan Abrams and David Fisher's New York Times bestseller, Lincoln's Last Trial is both a twisty, turny true crime story and a vivid picture of Abraham Lincoln on the eve of his presidency. This thrilling, never-before-seen look at one of the most beloved figures in US history will captivate both young readers and adults alike.

"The conventional wisdom says that most of Lincoln's practice involved collecting debt and representing railroads; that he only practiced law as a platform for his political career; that criminal law was only a minuscule part of his practice; and that he was particularly bad at defending homicide cases. A survey of Lincoln's murder cases demonstrates that he was first and foremost a trial lawyer, that the trial of criminal cases was an important part of his practice, and that he was not only a very good criminal trial lawyer, he was very capable of defending murder cases. Dekle devotes a chapter to each of Lincoln's well-documented criminal cases, paying particular attention to homicide cases. He consolidates cases for which we have little reference material into a single chapter and ends with an overall assessment of Lincoln as a criminal trial lawyer"--

Dispelling common myths and misunderstandings, this book provides a fascinating and historically accurate portrayal of the 1858 Almanac Trial that establishes both Lincoln's character and his considerable abilities as a trial lawyer. • Written from the highly informed and experienced perspective of a veteran criminal trial lawyer who has investigated, prosecuted, and defended hundreds of murder cases • Presents accurate information gathered from the most significant letters, statements, and interviews of the participants in the trial and cites the actual court record, allowing readers to distinguish fact from myth and lore • Explains how a fictional account of the trial came to be believed as fact and proves that the myth of the forged almanac was a libel invented by those who sought to profit from the lie • Appeals to Lincoln scholars and trial lawyers as well as any reader with an interest in American history or true crime

For the 150th anniversary, Harold Holzer (The Civil War in 150 Objects) presents an unprecedented firsthand chronicle of one of the most pivotal moments in American history. On April 14, 1865, Good Friday, the Civil War claimed its ultimate sacrifice. President Lincoln Assassinated! recaptures the dramatic immediacy of Lincoln's assassination, the hunt for the conspirators and their military trial, and the nation's mourning for the martyred president. The fateful story is told in more than eighty original documents--eyewitness reports, medical records, trial transcripts, newspaper articles, speeches, letters, diary entries, and poems--by more than seventy-five participants and observers, including the assassin John Wilkes Booth and Boston Corbett, the soldier who shot him. Courtroom testimony exposes the intricacies of the plot to kill the president; eulogies by Ralph Waldo Emerson, Wendell Phillips, and Benjamin Disraeli and poetry by Walt Whitman, Herman Melville and Julia Ward Howe give eloquent voice to grief; two emotional speeches by Frederick Douglass--one of them never before published--reveal his evolving perspective on Lincoln's legacy. Together these voices combine to reveal the full panorama of one the most shocking and tragic events in our history.
