Lotus Seven & Caterham Seven A sincere sports car that has been offered as a kit since inception. The combination of its ultra-light weight, an open cockpit, and incredible simplicity amounts to a driving experience that is just plain fun. The Seven is the prototypical Lotus, even when wearing a Caterham badge.

Caterham Cars for Sale in the United States

For those not familiar with its background, the Caterham 7 is a descendant of the original Lotus 7, a vehicle whose roots trace directly back to famed racer Colin Chapman, who founded Lotus Engineering in 1952.

Looking for all the world like a car right out of the 1930s, the Caterham 7 is anything but an antique.
