Claire Randall is leading a double life. She has a husband in one century, and a lover in another... In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon—when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding border clans in the year of our Lord...1743. Hurlled back in time by forces she cannot understand, Claire's destiny is soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. For here, James Fraser, a gallant young Scots warrior, shows her a passion so fierce and a love so absolute that Claire becomes a woman torn between fidelity and desire...and between two vastly different men in two irreconcilable lives.

Eliza Wentworth is no lady. After the notorious pirate Jandeu murdered her family, she vowed to spend the rest of her life at sea, saving others. She'd rather be firing cannons than embroidering pillows—or worse, bowing to the demands of a husband. But when she's stranded on an island off the coast of Scotland, now she is the one in need of help. And, annoyingly, that help comes not only from a man, but a man she struggles to resist. Highlander Beck Macquarie has never met a woman like Eliza. He hasn't met many women, period, thanks to the blasted curse set upon Wolf Isle decades ago. To save the clan, he needs a wife and bairns, and rough-around-the edges Eliza is anything but wife material. She has no intention of staying once she's able to set sail again. He should let her go. But the desire between them is impossible to ignore. When she asks Beck to teach her the ways of the bedroom while she bides her time on his island, he can't say no. As they learn more about each other, though, past trauma and secrets resurface. Now, Eliza must choose between the freedom and comfort of the only life she's ever known and sacrificing it all to save the people she loves...including Beck.

A quiet, flame-haired beauty with secrets of her own...She's nothing he expected and everything he really needs Lady Aila Graham is destined for the convent, until her brother's death leaves her an heiress. Soon she is caught between hastily arranged marriage with a Highland warrior, the Abbot's insistence that she take her vows, the Scottish Laird who kidnaps her, and the traitor from within who betrays them all. Padyn MacLaren, a battled-hardened knight, returns home to the

Highlands after years of fighting the English in France. MacLaren bears the physical scars of battle, but it is the deeper wounds of betrayal that have rocked his faith. Arriving with only a band of war-weary knights, MacLaren finds his land pillaged and his clan scattered. Determined to restore his clan, he sees Aila's fortune as the answer to his problems...but maybe it's the woman herself. A fantastic tale by the legendary Diana Wynne Jones—with an introduction by Garth Nix. Polly Whittacker has two sets of memories. In the first, things are boringly normal; in the second, her life is entangled with the mysterious, complicated cellist Thomas Lynn. One day, the second set of memories overpowers the first, and Polly knows something is very wrong. Someone has been trying to make her forget Tom - whose life, she realizes, is at supernatural risk. Fire and Hemlock is a fantasy filled with sorcery and intrigue, magic and mystery - and a most unusual and satisfying love story. Widely considered to be one of Diana Wynne Jones's best novels, the Firebird edition of Fire and Hemlock features an introduction by the acclaimed Garth Nix - and an essay about the writing of the book by Jones herself.

In *The Flowering Thorn*, world authorities explore fifteen different cultures on a series of personal journeys to the heart of one of Europe's richest, most enduring cultural creations. *The Flowering Thorn* investigates interpretation, structure and motif, context, version, and transmission; regions, reprints, and repertoires; and the mediating collector, touching upon gender issues, collecting and editing as cultural translation, literary ballads in oral tradition class issues, and dynamic relationships between oral and print sources. Folklore, history, literature, and technology combine with structuralism and functionalism, repertoire studies, and themes of cultural change to reflect the multidisciplinary nature of the field today.
