Marlborough His Life and Times - AbeBooks

John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesmen in the history of England. Victorious in the Battles of Blenheim, Ramillies, and countless other campaigns, Marlborough, whose political intrigues were almost as legendary as his military skill, never fought a battle he didn't win.

An epic tome covering the entire life of John Churchill, First Duke of Marlborough. I thoroughly enjoy all of Churchill's writings and wit, and even the less exciting moments are told with a vividness and dedication to historical accuracy (copiously detailed by Winston as his counter to the many slanders of Macaulay's histories) by way of documentation that one can only salute with admiration.

MARLBOROUGH His Life and Times Vol I-IV by Winston S. Churchill C.H. M. P. Published by Ballantyne Press. Condition: used - good. Core is intact. Book covers are generally old but pages clean and clear for reading. Description: John Churchill, the Duke

John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesman in the history of England. His descendant, Sir Winston Churchill wrote this work as both an act of homage, and as an historical insight into the man behind the statesman.

The prime minister and Nobel Prize–winning historian begins his four-volume biography of the British statesman John Churchill, first Duke of Marlborough. In the first volume of this ambitious and stunningly written biography, Sir Winston S. Churchill discusses the early career and stratospheric rise of his illustrious, seventeenth century ancestor. John Churchill,

the Duke of Marlborough, may have been eclipsed in history by his more well-known descendant, but in his time, Marlborough was considered one of England ' s foremost military and political leaders. This first installment pays particular attention to personal details of Marlborough ' s life, and the important role several women played in his success—including his sister, his wife, the Duchess of Cleveland, and Queen Anne herself. Churchill breathes life into these personal connections in order to showcase Marlborough not only as a luminary figure in British history, but also to bring him to life once again in the mind of the reader. “ A sustained meditation on statecraft and war by the greatest war leader of our time. ” —Foreign Affairs “ The greatest historical work written in our century, an inexhaustible mine of political wisdom and understanding, which should be required reading for every student of political science. ” —Leo Strauss

"It is my hope to recall this great shade from the past, and not only invest him with his panoply, but make him living and intimate to modern eyes."—from the preface to Volume One John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesmen in the history of England. Victorious in the Battles of Blenheim (1704), Ramillies (1706), and countless other campaigns, Marlborough, whose political intrigues were almost as legendary as his military skill, never fought a battle he didn't win. Although he helped James II crush the rebellion of the Duke of Monmouth, Marlborough later supported William of Orange against James II in the Glorious Revolution of 1688 and brilliantly managed England's diplomatic triumphs during the War of the Spanish Succession. Marlborough also bequeathed the world another great British military strategist

and diplomat—his descendant, Winston S. Churchill, who wrote this book to redeem Marlborough's reputation from Macaulay's smears. One million words long and ten years in the making, Churchill's Marlborough stands as both a literary and historical masterpiece, giving us unique insights into the Churchill of World War II, for just as Churchill's literary skill helps us understand the complexities of Marlborough's life, so too did his writing of Marlborough help Churchill master the arts of military strategy and diplomacy. This two-volume edition includes the entire text and almost all the original maps.

This analysis of the Duke of Marlborough's qualities as a military leader is set against the military realities of the period.

A New York Times Notable Book of the Year A major reassessment of Winston Churchill that examines his lasting influence in politics and culture. Churchill is generally considered one of the greatest leaders of the twentieth century, if not the greatest of all, revered for his opposition to appeasement, his defiance in the face of German bombing of England, his political prowess, his deft aphorisms, and his memorable speeches. He became the savior of his country, as prime minister during the most perilous period in British history, World War II, and is now perhaps even more beloved in America than in England. And yet Churchill was

Read Free Marlborough His Life And Times Volume I Winston Churchills Marlborough Collection Book 1

also very often in the wrong: he brazenly contradicted his own previous political stances, was a disastrous military strategist, and inspired dislike and distrust through much of his life. Before 1939 he doubted the efficacy of tank and submarine warfare, opposed the bombing of cities only to reverse his position, shamelessly exploited the researchers and ghostwriters who wrote much of the journalism and the books published so lucratively under his name, and had an inordinate fondness for alcohol that once found him drinking whisky before breakfast. When he was appointed to the cabinet for the first time in 1908, a perceptive journalist called him “ the most interesting problem of personal speculation in English politics. ” More than a hundred years later, he remains a source of adulation, as well as misunderstanding. This revelatory new book takes on Churchill in his entirety, separating the man from the myth that he so carefully cultivated, and scrutinizing his legacy on both sides of the Atlantic. In effervescent prose, shot through with sly wit, Geoffrey Wheatcroft illuminates key moments and controversies in Churchill ’ s career—from the tragedy of Gallipoli, to his shocking imperialist and racist attitudes, dealings with Ireland, support for Zionism, and complicated engagement with European integration. Charting the evolution and appropriation of Churchill ’ s reputation through to the present day, Churchill ’ s Shadow colorfully renders the nuance and complexity of this giant of modern politics.

World War 1 and its aftermath.

The Last Prince of the Mexican Empire is a sweeping historical novel of Mexico during the short, tragic, at times surreal, reign of Emperor Maximilian and his court. Even as the

Read Free Marlborough His Life And Times Volume I Winston Churchills Marlborough Collection Book 1

American Civil War raged north of the border, a clique of Mexican conservative exiles and clergy convinced Louis Napoleon to invade Mexico and install the Archduke of Austria, Maximilian von Habsburg, as Emperor. A year later, the childless Maximilian took custody of the two year old, half-American, Prince AgustÃn de Iturbide y Green, making the toddler the Heir Presumptive. Maximilian ' s reluctance to return the child to his distraught parents, even as his empire began to fall, and the Empress Carlota descended into madness, ignited an international scandal. This lush, grand read is based on the true story and illuminates both the cultural roots of Mexico and the political development of the Americas. But it is made all the more captivating by the depth of Mayo ' s writing and her understanding of the pressures and influences on these all too human players.
