Japanese edition of "Mars and Venus Together Forever," this resource guide provides the skills for a lasting relationship between you and your partner. Translated by Ooshima Nagisa. In Japanese. Distributed by Tsai Fong Books, Inc.

The author of the phenomenal # 1 New York Times bestseller Men Are from Mars, Women Are from Venus, John Gray has helped millions of men and women achieve lasting love and happiness. Now he turns his wisdom and expertise to one of the most sensitive and essential issues in a relationship: sex. In Mars and Venus in the Bedroom, he explains how we can use advanced relationship skills to keep the fires of passion burning and achieve much greater intimacy. Romance can thrive when we accept that men and women have very different, yet complementary, emotional and physical needs. Dr. Gray shows us how we can make small but important adjustments in our attitudes, schedules, and techniques so that both partners are happy in the bedroom -- and in the relationship. From learning advanced skills for greater sex to achieving greater confidence in the bedroom, discovering the joy of quickies to rekindling the passion and keeping romance alive, John Gray has the answers for you.

Once upon a time, Martians and Venusians functioned in separate worlds. But in today's hectic and career-oriented environment, relationships have become a lot more complicated, and men and women are experiencing unprecedented levels of stress. To add to the increasing tension, most men and women are also completely unaware that they are actually hardwired to react differently to the stress. It's a common scenario: a husband returns home from work stressed out and eager to kick back on the couch and watch television. A wife returns home from work stressed out and wants to talk about it with her husband. What happens? Neither is on the same page, anger and resentment set in, and Mars and Venus collide. Using his signature insight that has helped millions of couples transform their relationships, John Gray once again arms the inhabitants of Mars and Venus with information that will help them live harmoniously ever after. In Why Mars and Venus Collide, Gray focuses on the ways that men and women misinterpret and mismanage the stress in their daily lives, and how these reactions ultimately affect their relationships. "It's not that he's just not into you; he needs to fulfill a biological need," Gray explains. "And it's

not that she wants to henpeck you; she also has a biological drive." He shows, for instance, how a husband's withdrawal is actually a natural way for him to replenish his depleted testosterone levels and restore his well-being, and how a woman's need for conversation and support helps her build her own stress-reducing hormone, oxytocin. Backed up by groundbreaking scientific research, Gray offers a clear, easy-to-understand program to bridge the gap between the two planets, providing effective communication strategies that will actually lower stress levels. Whether in a relationship or single, this book will help both men and women understand their new roles in a modern, work-oriented society, and allow them to discover a variety of new and practical ways to create a lifetime of love and harmony.

Is it possible to find love again after a breakup, death, or divorce? The end of a relationship can sometimes feel like the end of the world. Devastation, loneliness, and bitterness are some emotions that exist due to a breakup, divorce, or the loss of a loved one. But with the help of this compassionate guide, Dr. John Gray expresses that you will survive and tells you how to find love again. While the process of healing is similar with both sexes, there are distinct differences between the ways men and women heal their bruised hearts. In Mars and Venus Starting Over, Dr. Gray offers gender-specific advice on how to: Deal with pain Find forgiveness Discover the strength to let go Rebuild confidence Rise to the challenge of finding fulfillment again Filled with gentle guidance, healing practices, and compassionate wisdom, Mars and Venus Starting Over will help men and women explore the meaning of loss, find their way through the healing process, and discover the secret to moving on.
