Your students are individuals. Do your teaching materials treat them that way? Feldman's Essentials of Understanding Psychology does. Using a revolutionary revision process, Bob Feldman's Essentials of Understanding Psychology is a fully integrated learning system that gives students an even greater opportunity to achieve success, and brings the Students First goal to a new level. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. The Tenth Edition is the first revision based on "HeatMap" technology, in which systematic and precise feedback from thousands of students was anonymously measured using LearnSmart, the adaptive learning diagnostic. Because virtually every paragraph in the previous edition is tied to several questions students answer in

Download File PDF Mcgraw Hill Learnsmart Psychology Answers

LearnSmart, Bob was able to see where students struggled most...the "hot spots"...and in turn refine and update these areas to be more clear, more concise, and more impactful. The 10th edition continues Bob Feldman's accessible pedagogy and hallmark research, as well as his modules-within-chapters format that is both manageable for students and allows every professor the flexibility to assign and cover what they want. The 4 additional modules in CREATE give instructors even extra flexibility to completely cater their text to their course and their students.

Students First. Designed for student success, Feldman provides students with a powerful learning framework in a personalized learning environment, helping them connect, engage, and feel excited about the field of Psychology. Feldman ' s Understanding Psychology, 12e is an

integrated learning program that gives students an even greater opportunity to achieve success, and brings the Students First goal to a new level. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. With McGraw-Hill Education 's LearnSmart Advantage, students have an individualized learning environment that helps identify what they know, and more importantly, what they don ' t, providing every student with a unique experience tailored to their needs. The Twelfth Edition was thoroughly revised using " HeatMap " technology in which systematic and precise feedback from thousands of students was anonymously measured using LearnSmart, McGraw-Hill Education 's adaptive learning tool. Because virtually every paragraph in the previous edition

where students struggled most...the “ hot spots ” ...and in turn refine and update these areas to be more clear, more concise, and more impactful. The 12th edition continues with Feldman's accessible pedagogy and hallmark research, as well as his modules-within-chapters format that is both manageable for students and allows every professor the flexibility to assign and cover what they want.

"We cast social psychology in the intellectual tradition of the liberal arts. By the teaching of great literature, philosophy, and science, liberal arts education seeks to expand our awareness and to liberate us from the confines of the present. By focusing on humanly significant issues, we aim to offer social psychology's big ideas and findings to pre-professional psychology students, and to do so in ways that stimulate all students. And with close-up looks at how the game is played-at the
