MERCURY MARINER - Service Manual Download

With direct-injected engines such as Mercury OptiMax, use 1 ounce of DFI engine oil instead of fogging oil. A small oil can with a long flexible neck works best to inject the oil into the cylinders for this application. Russell also recommends putting a coat of anti-seize lubricant on the plugs' threads before (carefully) replacing them.

Manual wiring diagrams -Recognized and used by technical trade schools as well as the U.S. military Covers all 2-60 Hp, 1 and 2-cylinder models, 2-stroke models. Over 1,180 illustrations

Two decades ago, Andrew Vietze made an unlikely career change: from punk rock magazine editor to park ranger at Maine's Baxter State Park. In *This Wild Land*, Vietze tells his story with humor, action, and an eye for the compelling details of life as a park ranger, making it the perfect read for outdoor and armchair adventurers alike.
