Merrill Chemistry Modern Course by Price and Smoot (1994)

The beginning chemistry student may find it hard to understand. Gives too many extraneous details that do not help the reader understand the necessary concepts of basic chemistry. If you want a good introductory chemistry book, then I strongly recommend "Foundations of College Chemistry" (11th ed.), by Hein and Arena.

Amazon.com: Merrill Chemistry (0778002825262): Smoot, R
